NAAC ACCREDITED INSTITUTION

ANNUAL REPORT
2020-2021

On behalf of RCET, it is my privilege as Principal in taking a glad opportunity in presenting the annual report of the academic year 2020-2021. The college has witnessed many quality changes in the year, in terms of IQAC initiatives, innovations in teaching learning, MoU's, extension activities like National Service Scheme (NSS), Student Social Skill Development Forum (SSDF), Innovation and Entrepreneurship Development Cell (IEDC) initiatives, paper publications, paper presentation, webinars, seminars, placement activities, sports & Arts, National Digital Library and Quiz club. . Our staffs and students have been taking keen effort in bringing up the name of this reputed institution further.

Glimpse of our Royal

The mission and vision of the founder members of this mighty institution could be fulfilled although not in full, within the span of 18 years since its inception. Royal College of Engineering & Technology, an NRI venture was started by offering B. Tech four year professional Degree courses in four branches. Now institution has five B.Tech branches and one M.Tech running with 650 students. The seedlings planted by Sri. Janab Ashraf and team has grown and flourished to such an extend that hundred students fulfilled their ambition and aspiration to be an engineer, through this institution.

2020-21 Activities

Institutional Acheivements/ Activities:

- The important achievement is that Institution got accredited by NAAC(NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL) with "B" Grade, for five years in the month of Feburary 2021. NAAC Peer Team Visited Royal College of Engineering and Technology , Akkikavu , Thrissur, Kerala during 13th and 14th February, 2021. This visit was for the first cycle of accreditation of the college. The core agenda of peer team visit was to validate claims in the Self Study Report (SSR) pertaining to Qualitative Metrics. On that basis, intensive scrutiny of the teaching, learning, research resources, and progress made by the Royal College of Engineering and Technology during the last five years was made by the NAAC Peer Team.

Overall Result Analysis

KTU RESULTS (2017-2021 BATCH)

SEMESTER/ BRANCH	1	2	3	4	5	6	7	8	Graduate Pass%
CE	62.5	56.25	45.24	45.24	45.24	85.71	51.16	90.7	53.49
CSE	48	43.9	40.91	36.36	53.33	69.57	27.66	85.11	44.68
ECE	67	66.67	80	40	66.67	77.78	55.56	77.78	33.33
EEE	30	50	57.14	64.29	58.33	91.67	58.33	100	61
ME	28.2	26.83	40.38	18.86	23.53	78.84	16.67	83.33	23.2

- Result Analysis is pointing towards betterment of results with more innovations in teaching pattern. Remedial measures for slow learners and advanced topics for good learners are already initiated. As the education is moving towards online mode due to pandemic, in addition to theory subjects, Virtual Lab is also initiated and planned more tie-ups to make the system effective.
- The holistic development of the students is the ultimate goal of RCET and the entire faculty and staff, are putting their effort for achieving the vision of RCET.

Wishing all of the very best regards...

THANK YOU.
