

# ROYAL COLLEGE OF ENGINEERING AND TECHNOLOGY

## CE DEPARTMENT ACTIVITIES 2019-20

### ODD SEMESTER

#### Internship Program

Department of CE, RCET has conducted a Three Day Internship Program on “Civil Engineering Design and Drafting” from 15th to 19th of July 2019 for (2018-22). The program was coordinated Mr.Shoy T.S , Mr.Mohammed Shefeeque and Ms.Ani P P (Assistant Professors,CE Dept.).They were also assisted by Ms.Sreeja P V and Ms.Swathy Sagan (Lab Instructors, CE Department). The entire program covers general principles basic tools employed in AutoCAD software and basic concepts of planning and designing of buildings in accordance with Kerala Building rules and National building code. Each student participated in the workshop were able to get hands-on training in the software. The session was concluded with a valedictory function, in which Mr.Akarsh Thekkedath (HOD, CE Dept.) awarded the certificates to participants.

Department of Civil Engineering organized an internship site visit on 23rd July 2019 for (2017-21). The event was coordinated by Mr. Akarsh Thekkedath (HoD CE). The visit was scheduled between 10 am to 3 pm. 20 students of S4 CE were taken to two construction sites under Team Azad Bultech LLP at Mulayankavu and Paloor for observing and understanding the functioning of various construction stages.

Department of CE, RCET has conducted a Three Day Internship Program on “Designing and Analysis of structures” on 24th of July 2019 for (2016-20). The program was coordinated (Assistant Professors,CE Dept.).They were also assisted by Ms.Sreeja P V and Ms.Swathy Sagan (Lab Instructors, CE Department). The entire program covers analysis and designing of buildings using staadpro and a workshop on mix design. Each student participated in the workshop were able to get hands-on training in the software The session was concluded with a valedictory function, in which Mr.Akarsh Thekkedath (HOD, CE Dept.) awarded the certificates to participants.

## Civil Engineering Association

The inauguration of RCET Civil Engineering Association 'SPACE' was held on 24<sup>th</sup> October 2019. The chief guests of this event were Mr. M M Khan (Managing director Y-Shak Project ) and Mr. Vinu V George (CEO, ARCON Builders). A speech was given by Mr. Vinu V George (CEO, ARCON Builders) in which he highlighted about the works carried by them. The introduction of office bearers was done by Mr. Shoy T S (Association Coordinator ). The vote of thanks was given by Mr. Ajmal Muhas and was followed by an interactive session by Mr. M M Khan. The session dealt with the problems in civil works, how should be the civil engineer and some basic knowledge about working at site. The session was very thought-provoking and spellbinding.

## Students Achievements

- a. Nikhila CE(S7) Secured third prize in Shortput Girls, conducted as the part of Sports “ROYALIX 2019-20” at Royal college of Engineering and Technology, Thrissur
- b. Fahmi CE(S7) Secured third prize in 800mtr Girls, conducted as the part of Sports “ROYALIX 2019-20” at Royal college of Engineering and Technology, Thrissur
- c. Anshifa CE(S3) Secured third prize in Discus Throw (Girls), conducted as the part of Sports “ROYALIX 2019-20” at Royal college of Engineering and Technology, Thrissur
- d. Haritha CE(S3) Secured first prize in 100mtr Girls, conducted as the part of Sports “ROYALIX 2019-20” at Royal college of Engineering and Technology, Thrissur
- e. Mufassil CE(S7) Secured third prize in 100mtr Boys, conducted as the part of Sports “ROYALIX 2019-20” at Royal college of Engineering and Technology, Thrissur
- f. Fadhila CE(S3) Secured first prize in 200mtr Girls, conducted as the part of Sports “ROYALIX 2019-20” at Royal college of Engineering and Technology, Thrissur
- g. Mufassil CE(S7) Secured third prize in 200mtr Boys, conducted as the part of Sports “ROYALIX 2019-20” at Royal college of Engineering and Technology, Thrissur
- h. Anshifa CE(S3) Secured first prize in 400mtr Girls, conducted as the part of Sports “ROYALIX 2019-20” at Royal college of Engineering and Technology, Thrissur
- i. Fadhila, Anshifa, Haritha, Mufeeda, CE Secured third prize in 4×100mtr Relay Girls, conducted as the part of Sports “ROYALIX 2019-20” at Royal college of Engineering and Technology, Thrissur

## ODD SEMESTER

### Internship Program

Department of CE, RCET has conducted a Three Day Internship Program on “Civil Engineering Design and Drafting” from 30 th December – 1 st January for (2019-23). Sessions were handled by Mr. Shoy T.S, Mr. Sabith K Asst. Professors of CE (Assistant Professors, CE Dept.). The entire program covers general principles basic tools employed in AutoCAD software and basic concepts of planning and designing of buildings in accordance with Kerala Building rules and National building code. Each student participated in the workshop were able to get hands-on training in the software. The session was concluded with a valedictory function, in which Mrs. Shaina Beegam N (HOD, CE Dept.) awarded the certificates to participants.

## Faculty Development Programs

- Ms. Athira Premkumar , Asst. Professor CE attended an one day FDP on “Document Preparation using LaTeX”for the faculty members of various departments in RCET on 13 th December 2019 at Royal College of Engineering and Technology, Akkikkaavu
