A NEWS LETTER FROM ECE DEPARTMENT

Vol: 2 Issue:1

ACKNOWLEDGMENT

The ELKTOR Times Acknowledges Royal CEO
Mr. Salim V P and Secretary Mr. Moidunny N
for all the Help and Guidance to complete this
Venture

PRINCIPAL'S MESSAGE

Dr. S. P. Subramanian, M.E., Ph.D
FIE, MISTE

Royal college of engineering & technology is among the states leading educational institutions providing quality education to students from all strata of society.

At RCET, We have a tradition of nurturing leadership qualities alongside developing capabilities to challenge the state of the art technologies. Technology driven pedagogical approach delivered by motivated faculty ensures that the students who graduate from RCET are a class apart.

HOD's DESK

Dear Readers,

Greetings

*We, the department of Electronics and Communication, are happy to present before you the **Elktor Times**. This venture became a reality, because of the whole hearted support from the concerned staff members and by timely reporting the activities and news items to the editor. Efforts have been taken to highlight most of the activities and achievements of the department since the previous issue.*

EDITOR'S VOICE

The ELKTOR TIMES invites you to get acquainted with the vibe of the Department of Electronics & Communication Engineering in Royal CET. The inspiration that the readers gave us from our last edition brings about the Elktor Times 2018, which is a direct reflectance of the academic, technical and aesthetic talents of our students and staff in the past academic year. We invite you to hold our hands to travel through the living pages of our activities.....
