

ID	TITLE	SUBJECT
23722	Thoma's calculus	Calculus and analytic geometry
23723	Thoma's calculus	Calculus and analytic geometry
23724	Engineering mathematics	Engineering mathematics
23725	Engineering mathematics	Engineering mathematics
23726	Calculus: Late transcendentals	Calculus and analytic geometry
23727	Calculus: Late transcendentals	Calculus and analytic geometry
23728	Calculus: Late transcendentals	Calculus and analytic geometry
23729	Calculus: Late transcendentals	Calculus and analytic geometry
23730	Calculus: Late aCalculus and analytic geometry	
23731	Basic electrical and electronics engineering	Electrical engineering; Applied phy
23732	Basic electrical and electronics engineering	Electrical engineering; Applied phy
23733	Basic electrical and electronics engineering	Electrical engineering; Applied phy
23734	Basic electrical and electronics engineering	Electrical engineering; Applied phy
23735	Basic electrical and electronics engineering	Electrical engineering; Applied phy
23736	Basic electrical and electronics engineering	Electrical engineering; Applied phy
23737	Basic electrical and electronics engineering	Electrical engineering; Applied phy
23738	Basic electrical and electronics engineering	Electrical engineering; Applied phy
23739	Basic electrical and electronics engineering	Electrical engineering; Applied phy
23740	Basic electrical and electronics engineering	Electrical engineering; Applied phy
23741	Electrical engineering fundamentals	Electrical engineering; Applied phy
23742	Electrical engineering fundamentals	Electrical engineering; Applied phy
23743	Electrical engineering fundamentals	Electrical engineering; Applied phy
23744	Electrical engineering fundamentals	Electrical engineering; Applied phy
23745	Electrical engineering fundamentals	Electrical engineering; Applied phy
23746	Electrical engineering fundamentals	Electrical engineering; Applied phy
23747	Electrical engineering fundamentals	Electrical engineering; Applied phy
23748	Electrical engineering fundamentals	Electrical engineering; Applied phy
23749	Electrical engineering fundamentals	Electrical engineering; Applied phy
23750	Electrical engineering fundamentals	Electrical engineering; Applied phy
23751	Problems in electrical engineering	Electrical engineering; Applied phy
23752	Problems in electrical engineering	Electrical engineering; Applied phy
23753	Problems in electrical engineering	Electrical engineering; Applied phy
23754	Problems in electrical engineering	Electrical engineering; Applied phy
23755	Problems in electrical engineering	Electrical engineering; Applied phy
23756	Problems in electrical engineering	Electrical engineering; Applied phy
23757	Problems in electrical engineering	Electrical engineering; Applied phy
23758	Problems in electrical engineering	Electrical engineering; Applied phy
23759	Problems in electrical engineering	Electrical engineering; Applied phy
23760	Problems in electrical engineering	Electrical engineering; Applied phy
23761	Digital systems: Principles and applications	Logic circuits, logic design of circu
23762	Digital systems: Principles and applications	Logic circuits, logic design of circu
23763	Digital systems: Principles and applications	Logic circuits, logic design of circu
23764	Digital systems: Principles and applications	Logic circuits, logic design of circu
23765	Digital systems: Principles and applications	Logic circuits, logic design of circu
23766	Advanced electronic communications systems	Communication Engineering

23767	Advanced electronic communications systems	Communication Engineering
23768	Advanced electronic communications systems	Communication Engineering
23769	Advanced electronic communications systems	Communication Engineering
23770	Advanced electronic communications systems	Communication Engineering
23771	Power electronics: Circuits, devices and applications	Control devices; Including circuit k
23772	Power electronics: Circuits, devices and applications	Control devices; Including circuit k
23773	Power electronics: Circuits, devices and applications	Control devices; Including circuit k
23774	Power electronics: Circuits, devices and applications	Control devices; Including circuit k
23775	Power electronics: Circuits, devices and applications	Control devices; Including circuit k
23776	Power electronics: Circuits, devices and applications	Control devices; Including circuit k
23777	Power electronics: Circuits, devices and applications	Control devices; Including circuit k
23778	Microelectronic circuits: Theory and applications	Components and circuits
23779	Microelectronic circuits: Theory and applications	Components and circuits
23780	Microelectronic circuits: Theory and applications	Components and circuits
23781	Solid state electronic devices	Components and devices
23782	Microelectronic circuits: Theory and applications	Components and circuits
23783	Biomedical instrumentation and measurements	Biomedical instrumentation
23784	Biomedical instrumentation and measurements	Biomedical instrumentation
23785	Biomedical instrumentation and measurements	Biomedical instrumentation
23786	Biomedical instrumentation and measurements	Biomedical instrumentation
23787	Biomedical instrumentation and measurements	Biomedical instrumentation
23788	Biomedical instrumentation and measurements	Biomedical instrumentation
23789	Biomedical instrumentation and measurements	Biomedical instrumentation
23790	Biomedical instrumentation and measurements	Biomedical instrumentation
23791	Biomedical instrumentation and measurements	Biomedical instrumentation
23792	Biomedical instrumentation and measurements	Biomedical instrumentation
23793	Electronic devices and circuits	Components and devices
23794	Electronic devices and circuits	Components and devices
23795	Electronic devices and circuits	Components and devices
23796	Electronic devices and circuits	Components and devices
23797	Electronic devices and circuits	Components and devices
23798	Logic design	Logic circuits, logic design of circu
23799	Logic design	Logic circuits, logic design of circu
23800	Logic design	Logic circuits, logic design of circu
23801	Logic design	Logic circuits, logic design of circu
23802	Logic design	Logic circuits, logic design of circu
23803	Power electronics: Converters, applications and design	Control devices; Including circuit k
23804	Power electronics: Converters, applications and design	Control devices; Including circuit k
23805	Power electronics: Converters, applications and design	Control devices; Including circuit k
23806	Power electronics: Converters, applications and design	Control devices; Including circuit k
23807	Power electronics: Converters, applications and design	Control devices; Including circuit k
23808	Handbook of analytical instruments	Electronics Instrumentation; Elect
23809	Handbook of analytical instruments	Electronics Instrumentation; Elect
23810	Handbook of analytical instruments	Electronics Instrumentation; Elect
23811	Handbook of analytical instruments	Electronics Instrumentation; Elect
23812	Handbook of analytical instruments	Electronics Instrumentation; Elect
23813	Handbook of analytical instruments	Electronics Instrumentation; Elect

23814	Handbook of analytical instruments	Electronics Instrumentation; Elect
23815	Biomedical instrumentation	Biomedical instrumentation
23816	Biomedical instrumentation	Biomedical instrumentation
23817	Biomedical instrumentation	Biomedical instrumentation
23818	Biomedical instrumentation	Biomedical instrumentation
23819	Biomedical instrumentation	Biomedical instrumentation
23820	Biomedical instrumentation	Biomedical instrumentation
23821	Biomedical instrumentation	Biomedical instrumentation
23822	Biomedical instrumentation	Biomedical instrumentation
23823	Biomedical instrumentation	Biomedical instrumentation
23824	Biomedical instrumentation	Biomedical instrumentation
23825	Power plant instrumentation	Power plant technology
23826	Power plant instrumentation	Power plant technology
23827	Power plant instrumentation	Power plant technology
23828	Digital design: Principles and practices	Logic circuits, logic design of circu
23829	Digital design: Principles and practices	Logic circuits, logic design of circu
23830	Digital design: Principles and practices	Logic circuits, logic design of circu
23831	Digital design: Principles and practices	Logic circuits, logic design of circu
23832	Digital design: Principles and practices	Logic circuits, logic design of circu
23833	Introduction to biomedical equipment technology	Biomedical instrumentation
23834	Introduction to biomedical equipment technology	Biomedical instrumentation
23835	Introduction to biomedical equipment technology	Biomedical instrumentation
23836	Introduction to biomedical equipment technology	Biomedical instrumentation
23837	Introduction to biomedical equipment technology	Biomedical instrumentation
23838	Basic electrical and electronics engineering	Electrical engineering; Applied phy
23839	Basic electrical and electronics engineering	Electrical engineering; Applied phy
23840	Basic electrical and electronics engineering	Electrical engineering; Applied phy
23841	Basic electrical and electronics engineering	Electrical engineering; Applied phy
23842	Basic electrical and electronics engineering	Electrical engineering; Applied phy
23843	Basic electrical and electronics engineering	Electrical engineering; Applied phy
23844	Basic electrical and electronics engineering	Electrical engineering; Applied phy
23845	Basic electrical and electronics engineering	Electrical engineering; Applied phy
23846	Basic electrical and electronics engineering	Electrical engineering; Applied phy
23847	Basic electrical and electronics engineering	Electrical engineering; Applied phy
23848	Digital systems design using VHDL	Computer engineering
23849	Digital systems design using VHDL	Computer engineering
23850	Digital systems design using VHDL	Computer engineering
23851	Digital systems design using VHDL	Computer engineering
23852	Digital systems design using VHDL	Computer engineering
23853	Digital principles and design	Logic circuits, logic design of circu
23854	Digital principles and design	Logic circuits, logic design of circu
23855	Digital principles and design	Logic circuits, logic design of circu
23856	Digital principles and design	Logic circuits, logic design of circu
23857	Digital principles and design	Logic circuits, logic design of circu
23858	Basic electrical engineering	Electrical engineering; Applied phy
23859	Circuits and networks: Analysis and synthesis	Network; Circuits and lines
23860	Circuits and networks: Analysis and synthesis	Network; Circuits and lines

23861	Circuits and networks: Analysis and synthesis	Network; Circuits and lines
23862	Circuits and networks: Analysis and synthesis	Network; Circuits and lines
23863	Circuits and networks: Analysis and synthesis	Network; Circuits and lines
23864	Hughes electrical and electronic technology	Electrical engineering; Applied physics
23865	Hughes electrical and electronic technology	Electrical engineering; Applied physics
23866	Hughes electrical and electronic technology	Electrical engineering; Applied physics
23867	Hughes electrical and electronic technology	Electrical engineering; Applied physics
23868	Hughes electrical and electronic technology	Electrical engineering; Applied physics
23869	Design of analog CMOS integrated circuits	Semiconductor devices; Electronic
23870	Design of analog CMOS integrated circuits	Semiconductor devices; Electronic
23871	Data and computer communications	Data communications
23872	Data and computer communications	Data communications
23873	Data and computer communications	Data communications
23874	Data and computer communications	Data communications
23875	Data and computer communications	Data communications
23876	Integrated electronics: Analog and digital circuits and systems	Components and circuits
23877	Integrated electronics: Analog and digital circuits and systems	Components and circuits
23878	Integrated electronics: Analog and digital circuits and systems	Components and circuits
23879	Integrated electronics: Analog and digital circuits and systems	Components and circuits
23880	Integrated electronics: Analog and digital circuits and systems	Components and circuits
23881	Electronic devices and circuit theory	Components and devices
23882	Electronic devices and circuit theory	Components and devices
23883	Electronic devices and circuit theory	Components and devices
23884	Electronic devices and circuit theory	Components and devices
23885	Electronic devices and circuit theory	Components and devices
23886	Electronic devices and circuits	Components and devices
23887	Electronic devices and circuits	Components and devices
23888	Electronic devices and circuits	Components and devices
23889	Electronic devices and circuits	Components and devices
23890	Electronic devices and circuits	Components and devices
23891	Principles of electronic communication systems	Communication Engineering
23892	Principles of electronic communication systems	Communication Engineering
23893	Principles of electronic communication systems	Communication Engineering
23894	Principles of electronic communication systems	Communication Engineering
23895	Principles of electronic communication systems	Communication Engineering
23896	Electronic communication systems	Communication Engineering
23897	Electronic communication systems	Communication Engineering
23898	Electronic communication systems	Communication Engineering
23899	Electronic communication systems	Communication Engineering
23900	Electronic communication systems	Communication Engineering
23901	Basic electronics: devices, circuits and IT fundamentals	Components and devices
23902	Basic electronics: devices, circuits and IT fundamentals	Components and devices
23903	Basic electronics: devices, circuits and IT fundamentals	Components and devices
23904	Basic electronics: devices, circuits and IT fundamentals	Components and devices
23905	Basic electronics: devices, circuits and IT fundamentals	Components and devices
23906	Digital electronics: An introduction to theory and practice	Digital electronics
23907	Engineering circuit analysis	Circuits for specific functions

23908	Engineering circuit analysis	Circuits for specific functions
23909	Engineering circuit analysis	Circuits for specific functions
23910	Engineering circuit analysis	Circuits for specific functions
23911	Engineering circuit analysis	Circuits for specific functions
23912	Power electronics	Control devices; Including circuit k
23913	Power electronics	Control devices; Including circuit k
23914	Power electronics	Control devices; Including circuit k
23915	Power electronics	Control devices; Including circuit k
23916	Power electronics	Control devices; Including circuit k
23917	Power electronics	Control devices; Including circuit k
23918	Power electronics	Control devices; Including circuit k
23919	Electrical circuit theory and technology	Electrical engineering; Applied phy
23920	Electrical circuit theory and technology	Electrical engineering; Applied phy
23921	Electrical circuit theory and technology	Electrical engineering; Applied phy
23922	Electrical circuit theory and technology	Electrical engineering; Applied phy
23923	Electrical circuit theory and technology	Electrical engineering; Applied phy
23924	Embedded system design: A unified hardware/software introd	Computer architecture
23925	Embedded system design: A unified hardware/software introd	Computer architecture
23926	Embedded system design: A unified hardware/software introd	Computer architecture
23927	Embedded system design: A unified hardware/software introd	Computer architecture
23928	Embedded system design: A unified hardware/software introd	Computer architecture
23929	Embedded system design: A unified hardware/software introd	Computer architecture
23930	Embedded system design: A unified hardware/software introd	Computer architecture
23931	Computer architecture: A quantitative approach	Computer architecture
23932	Computer architecture: A quantitative approach	Computer architecture
23933	Computer architecture: A quantitative approach	Computer architecture
23934	Computer architecture: A quantitative approach	Computer architecture
23935	Computer architecture: A quantitative approach	Computer architecture
23936	Computer graphics: C version	Computer graphics
23937	Computer graphics: C version	Computer graphics
23938	Computer graphics: C version	Computer graphics
23939	Computer graphics: C version	Computer graphics
23940	Computer graphics: C version	Computer graphics
23941	E-commerce: Business. technology.society	Electronic Commerce
23942	E-commerce: Business. technology.society	Electronic Commerce
23943	E-commerce: Business. technology.society	Electronic Commerce
23944	E-commerce: Business. technology.society	Electronic Commerce
23945	E-commerce: Business. technology.society	Electronic Commerce
23946	Computer organisation and design: The hardware/software int	Computer architecture
23947	Computer organisation and design: The hardware/software int	Computer architecture
23948	Computer organisation and design: The hardware/software int	Computer architecture
23949	Computer organisation and design: The hardware/software int	Computer architecture
23950	Computer organisation and design: The hardware/software int	Computer architecture
23951	Wireless and mobile network architectures	Cellular telephone systems
23952	Wireless and mobile network architectures	Cellular telephone systems
23953	Wireless and mobile network architectures	Cellular telephone systems
23954	Wireless and mobile network architectures	Cellular telephone systems

23955	Wireless and mobile network architectures	Cellular telephone systems
23956	Computer networking: A top-down approach	Computer communication network
23957	Computer networking: A top-down approach	Computer communication network
23958	Computer networking: A top-down approach	Computer communication network
23959	Computer networking: A top-down approach	Computer communication network
23960	Computer networking: A top-down approach	Computer communication network
23961	Digital fundamentals	Logic circuits, logic design of circuits
23962	Digital fundamentals	Logic circuits, logic design of circuits
23963	Digital fundamentals	Logic circuits, logic design of circuits
23964	Digital fundamentals	Logic circuits, logic design of circuits
23965	Digital fundamentals	Logic circuits, logic design of circuits
23966	Data mining: Concepts and techniques	File organization and access methods
23967	Data mining: Concepts and techniques	File organization and access methods
23968	Data mining: Concepts and techniques	File organization and access methods
23969	Data mining: Concepts and techniques	File organization and access methods
23970	Data mining: Concepts and techniques	File organization and access methods
23971	Introduction to automata theory, languages and computation	Computer mathematics
23972	Introduction to automata theory, languages and computation	Computer mathematics
23973	Introduction to automata theory, languages and computation	Computer mathematics
23974	Introduction to automata theory, languages and computation	Computer mathematics
23975	Introduction to automata theory, languages and computation	Computer mathematics
23976	Introduction to automata theory, languages and computation	Computer mathematics
23977	Introduction to automata theory, languages and computation	Computer mathematics
23978	Introduction to automata theory, languages and computation	Computer mathematics
23979	Intel microprocessors: 8086/8088, 80186, 80286, 80386, and 80486	Digital Microcomputers or Microprocessors
23980	Intel microprocessors: 8086/8088, 80186, 80286, 80386, and 80486	Digital Microcomputers or Microprocessors
23981	Intel microprocessors: 8086/8088, 80186, 80286, 80386, and 80486	Digital Microcomputers or Microprocessors
23982	Intel microprocessors: 8086/8088, 80186, 80286, 80386, and 80486	Digital Microcomputers or Microprocessors
23983	Intel microprocessors: 8086/8088, 80186, 80286, 80386, and 80486	Digital Microcomputers or Microprocessors
23984	Design of the Unix operating system	Operating system-Unix
23985	Design of the Unix operating system	Operating system-Unix
23986	Design of the Unix operating system	Operating system-Unix
23987	Design of the Unix operating system	Operating system-Unix
23988	Design of the Unix operating system	Operating system-Unix
23989	Operating systems	Operating system
23990	Operating systems	Operating system
23991	Operating systems	Operating system
23992	Operating systems	Operating system
23993	Operating systems	Operating system
23994	Operating systems	Operating system
23995	Operating systems	Operating system
23996	Operating systems	Operating system
23997	Computer networks: A systems approach	Computer communication network
23998	Computer networks: A systems approach	Computer communication network
23999	Computer networks: A systems approach	Computer communication network
24000	Computer networks: A systems approach	Computer communication network
24001	Computer networks: A systems approach	Computer communication network

24002	Signals and systems	Signal processing
24003	Signals and systems	Signal processing
24004	Signals and systems	Signal processing
24005	Signals and systems	Signal processing
24006	Signals and systems	Signal processing
24007	Introduction to algorithms	Computer algorithms
24008	Introduction to algorithms	Computer algorithms
24009	Introduction to algorithms	Computer algorithms
24010	Introduction to algorithms	Computer algorithms
24011	Introduction to algorithms	Computer algorithms
24012	Wireless communications	Cellular telephone systems
24013	Wireless communications	Cellular telephone systems
24014	Wireless communications	Cellular telephone systems
24015	Wireless communications	Cellular telephone systems
24016	Wireless communications	Cellular telephone systems
24017	Programming languages: Concepts and constructs	Programming languages
24018	Programming languages: Concepts and constructs	Programming languages
24019	Programming languages: Concepts and constructs	Programming languages
24020	Programming languages: Concepts and constructs	Programming languages
24021	Programming languages: Concepts and constructs	Programming languages
24022	Programming languages: Concepts and constructs	Programming languages
24023	Programming languages: Concepts and constructs	Programming languages
24024	Programming languages: Concepts and constructs	Programming languages
24025	Programming languages: Concepts and constructs	Programming languages
24026	Programming languages: Concepts and constructs	Programming languages
24027	System software: An introduction to systems programming	Systems programming
24028	System software: An introduction to systems programming	Systems programming
24029	System software: An introduction to systems programming	Systems programming
24030	System software: An introduction to systems programming	Systems programming
24031	System software: An introduction to systems programming	Systems programming
24032	Randomized algorithms	Computer algorithms
24033	Randomized algorithms	Computer algorithms
24034	Randomized algorithms	Computer algorithms
24035	Randomized algorithms	Computer algorithms
24036	Randomized algorithms	Computer algorithms
24037	Prolog programming for artificial intelligence	Programming for Artificial Intelligence
24038	Prolog programming for artificial intelligence	Programming for Artificial Intelligence
24039	High speed networks and internets: Performance and quality of service	Computer communication networks
24040	High speed networks and internets: Performance and quality of service	Computer communication networks
24041	High speed networks and internets: Performance and quality of service	Computer communication networks
24042	High speed networks and internets: Performance and quality of service	Computer communication networks
24043	High speed networks and internets: Performance and quality of service	Computer communication networks
24044	Compilers: Principles, techniques, and tools	Compilers
24045	Compilers: Principles, techniques, and tools	Compilers
24046	Compilers: Principles, techniques, and tools	Compilers
24047	Compilers: Principles, techniques, and tools	Compilers
24048	Compilers: Principles, techniques, and tools	Compilers

24049	Data structures and algorithms	Data structures
24050	Data structures and algorithms	Data structures
24051	Data structures and algorithms	Data structures
24052	Data structures and algorithms	Data structures
24053	Data structures and algorithms	Data structures
24054	Logic design theory	Logic circuits, logic design of circu
24055	Logic design theory	Logic circuits, logic design of circu
24056	Logic design theory	Logic circuits, logic design of circu
24057	Logic design theory	Logic circuits, logic design of circu
24058	Logic design theory	Logic circuits, logic design of circu
24059	Logic design theory	Logic circuits, logic design of circu
24060	Logic design theory	Logic circuits, logic design of circu
24061	Digital Image processing	Technological photography and pl
24062	Digital Image processing	Technological photography and pl
24063	Digital Image processing	Technological photography and pl
24064	Digital Image processing	Technological photography and pl
24065	Digital Image processing	Technological photography and pl
24066	Principles of interactive computer graphics	Computer graphics
24067	Principles of interactive computer graphics	Computer graphics
24068	Advanced microprocessors and peripherals	Digital Microcomputers or Microp
24069	Advanced microprocessors and peripherals	Digital Microcomputers or Microp
24070	Logic and computer design fundamentals	Systems analysis and design of Diç
24071	Elements of discrete mathematics: A computer oriented appro	Mathematics - Generalities
24072	Elements of discrete mathematics: A computer oriented appro	Mathematics - Generalities
24073	Computer fundamentals	Computer science
24074	Computer fundamentals	Computer science
24075	Computer organization	Computer architecture
24076	Computer organization	Computer architecture
24077	Data communications and networking	Data communications
24078	Data communications and networking	Data communications
24079	Data communications and networking	Data communications
24080	Data communications and networking	Data communications
24081	Data communications and networking	Data communications
24082	Problem solving and programming concepts	Programming languages
24083	Problem solving and programming concepts	Programming languages
24084	Fundamentals of computers	Computer science
24085	Fundamentals of computers	Computer science
24086	Prelude to programming concepts and design	Programming languages
24087	Prelude to programming concepts and design	Programming languages
24088	Prelude to programming concepts and design	Programming languages
24089	Introduction to data mining	File organization and access meth
24090	Troubleshooting, maintaining and repairing PCs	Computer Hardwares
24091	Microprocessors and interfacing: Programming and hardware	Digital Microcomputers or Microp
24092	Artificial intelligence	Artificial Intelligence,Soft computi
24093	Artificial intelligence	Artificial Intelligence,Soft computi
24094	Artificial intelligence	Artificial Intelligence,Soft computi
24095	Digital signal processing: Principles, algorithms and application	Signal processing

24096	Digital signal processing: Principles, algorithms and application	Signal processing
24097	Digital signal processing: Principles, algorithms and application	Signal processing
24098	Digital signal processing: Principles, algorithms and application	Signal processing
24099	Signals and systems	Signal processing
24100	Signals and systems	Signal processing
24101	Discrete mathematical structures with applications to compute	Mathematics - Generalities
24102	Database systems: Models, languages, design and application	Data files and databases; Comput
24103	Database systems: Models, languages, design and application	Data files and databases; Comput
24104	Database systems: Models, languages, design and application	Data files and databases; Comput
24105	Database systems: Models, languages, design and application	Data files and databases; Comput
24106	Database systems: Models, languages, design and application	Data files and databases; Comput
24107	Database systems: Models, languages, design and application	Data files and databases; Comput
24108	Database systems: Models, languages, design and application	Data files and databases; Comput
24109	Database systems: Models, languages, design and application	Data files and databases; Comput
24110	Modern operating systems	Operating system
24111	Modern operating systems	Operating system
24112	Modern operating systems	Operating system
24113	Embedded system design	Computer architecture
24114	Embedded system design	Computer architecture
24115	Computer systems design and architecture	Computer architecture
24116	Computer systems design and architecture	Computer architecture
24117	Computer systems design and architecture	Computer architecture
24118	Operating systems	Operating system
24119	Software project management	Software Project Management
24120	Programming languages: Design and implementation	Programming languages
24121	Programming languages: Design and implementation	Programming languages
24122	Communication systems engineering	Communication Engineering
24123	Communication systems engineering	Communication Engineering
24124	Communication systems engineering	Communication Engineering
24125	Communication systems engineering	Communication Engineering
24126	Discrete mathematics with applications	Mathematics - Generalities
24127	Discrete mathematics with applications	Mathematics - Generalities
24128	Introduction to formal languages and automata	Computer mathematics
24129	Introduction to formal languages and automata	Computer mathematics
24130	Data mining: introductory and advanced topics	File organization and access meth
24131	Data mining: introductory and advanced topics	File organization and access meth
24132	Algorithms+data structures=programs	Programming languages
24133	Computer basics and C programming	Programming languages-C
24134	Computer basics and C programming	Programming languages-C
24135	Computer basics and C programming	Programming languages-C
24136	Database system concepts	Data files and databases; Comput
24137	Programming language pragmatics	Programming languages
24138	Programming language pragmatics	Programming languages
24139	Discrete and combinatorial mathematics: An applied introduct	Mathematics - Generalities
24140	Discrete and combinatorial mathematics: An applied introduct	Mathematics - Generalities
24141	Modern wireless communications	Cellular telephone systems
24142	Modern wireless communications	Cellular telephone systems

24143	Modern wireless communications	Cellular telephone systems
24144	Introduction to automata theory, languages and computation	Computer mathematics
24145	Introduction to automata theory, languages and computation	Computer mathematics
24146	Switching and finite automata theory	Switching theory
24147	Switching and finite automata theory	Switching theory
24148	Introduction to computing and programming in python: A multi	Programming Language,Python
24149	Introduction to computing and programming in python: A multi	Programming Language,Python
24150	How to think like a computer scientist learning with python	Programming Language,Python
24151	How to think like a computer scientist learning with python	Programming Language,Python
24152	How to solve it by computer	Competitive exams study material
24153	Mobile communications	Cellular telephone systems
24154	Mobile communications	Cellular telephone systems
24155	Modern cryptography: Theory and practice	Cryptography; Computer security;
24156	Modern cryptography: Theory and practice	Cryptography; Computer security;
24157	Principles of information security	Data security,Malware Computer
24158	Introduction to the theory of numbers	Number theory; Algebra; Mathem
24159	Discrete mathematical structures	Mathematics - Generalities
24160	Discrete mathematical structures	Mathematics - Generalities
24161	Advanced compiler design implementation	Compilers
24162	Advanced compiler design implementation	Compilers
24163	Applied cryptography: Protocols, algorithms and source code im	Data security,Malware Computer
24164	Applied cryptography: Protocols, algorithms and source code im	Data security,Malware Computer
24165	Advanced computer architecture: Parallelism, scalability, progr	Computer architecture
24166	Advanced computer architecture: Parallelism, scalability, progr	Computer architecture
24167	Design and analysis of computer algorithms	Computer algorithms
24168	Integrated electronics: Analog and digital circuits and systems	Components and circuits
24169	Integrated electronics: Analog and digital circuits and systems	Components and circuits
24170	Computer algorithms: Introduction to design and analysis	Computer algorithms
24171	Computer algorithms: Introduction to design and analysis	Computer algorithms
24172	Introduction to database systems	Data files and databases; Comput
24173	Computer graphics: Principles and practice	Computer graphics
24174	Computer graphics: Principles and practice	Computer graphics
24175	Security in computing	Data security,Malware Computer
24176	Operating system concepts	Operating system
24177	Operating system concepts	Operating system
24178	Operating system concepts	Operating system
24179	Operating system concepts	Operating system
24180	C and data structures	Data Structures in C
24181	Wireless communications and networks	Cellular telephone systems
24182	Wireless communications and networks	Cellular telephone systems
24183	Insight in to data mining: Theory and practice	File organization and access meth
24184	Computer networking with internet protocols and technology	Computer communication network
24185	Computer networks and internets: With internet applications	Computer communication network
24186	Principles of database systems	Data files and databases; Comput
24187	Compiler design in C	Compiler Design in C
24188	Compiler design in C	Compiler Design in C
24189	Communication networks: Fundamental concepts and key arch	Communications Networking,Sen

24190	Wireless communications and networking	Cellular telephone systems
24191	Computer networks	Computer communication network
24192	Computer networks	Computer communication network
24193	Data warehousing in the real world: A practical guide for building	Data files and databases; Computer
24194	Frontiers of electronic commerce	Electronic Commerce
24195	Engineering approach to computer networking: ATM networks	Computer communication network
24196	Engineering approach to computer networking: ATM networks	Computer communication network
24197	Data communications and networking	Data communications
24198	Data communications and networking	Data communications
24199	Data communications and networking	Data communications
24200	Data communications and networking	Data communications
24201	Data communications and networking	Data communications
24202	Procedural elements for computer graphics	Computer graphics
24203	Data compression: The complete reference	Data compression (File compression)
24204	Data compression: The complete reference	Data compression (File compression)
24205	Data compression: The complete reference	Data compression (File compression)
24206	Data compression: The complete reference	Data compression (File compression)
24207	Data compression: The complete reference	Data compression (File compression)
24208	Network security essentials: applications and standards	Cryptography; Computer security;
24209	Network security essentials: applications and standards	Cryptography; Computer security;
24210	Network security essentials: applications and standards	Cryptography; Computer security;
24211	Network security essentials: applications and standards	Cryptography; Computer security;
24212	Network security essentials: applications and standards	Cryptography; Computer security;
24213	Introduction to languages and the theory of computation	Computer mathematics
24214	Introduction to languages and the theory of computation	Computer mathematics
24215	Operating systems: A design-oriented approach	Operating system
24216	Operating systems: A design-oriented approach	Operating system
24217	Embedded systems: Architecture, programming and design	Computer architecture
24218	Embedded systems: Architecture, programming and design	Computer architecture
24219	Data and computer communications	Data communications
24220	Data and computer communications	Data communications
24221	Principles of compiler design	Compilers
24222	Principles of compiler design	Compilers
24223	Principles of compiler design	Compilers
24224	Microprocessors and interfacing: Programming and hardware	Digital Microcomputers or Microprocessors
24225	Microprocessors and interfacing: Programming and hardware	Digital Microcomputers or Microprocessors
24226	Microprocessors and interfacing: Programming and hardware	Digital Microcomputers or Microprocessors
24227	Microprocessors and interfacing: Programming and hardware	Digital Microcomputers or Microprocessors
24228	Microprocessors and interfacing: Programming and hardware	Digital Microcomputers or Microprocessors
24229	Microprocessors and interfacing: Programming and hardware	Digital Microcomputers or Microprocessors
24230	Microprocessors and interfacing: Programming and hardware	Digital Microcomputers or Microprocessors
24231	8051 microcontroller and embedded systems using assembly language	Digital Microcomputers or Microprocessors
24232	8051 microcontroller and embedded systems using assembly language	Digital Microcomputers or Microprocessors
24233	8051 microcontroller and embedded systems using assembly language	Digital Microcomputers or Microprocessors
24234	8051 microcontroller and embedded systems using assembly language	Digital Microcomputers or Microprocessors
24235	Electronic communications systems: Fundamentals through advanced	Communication Engineering
24236	Electronic communications systems: Fundamentals through advanced	Communication Engineering

24237	Electronic communications systems: Fundamentals through ad	Communication Engineering
24238	Electronic communications systems: Fundamentals through ad	Communication Engineering
24239	Electronic communications systems: Fundamentals through ad	Communication Engineering
24240	Microwave devices and circuits	Components and devices
24241	Microwave devices and circuits	Components and devices
24242	Microwave devices and circuits	Components and devices
24243	Microwave devices and circuits	Components and devices
24244	Microwave devices and circuits	Components and devices
24245	Textbook of power plant engineering	Power plant technology
24246	Error control coding	Error Control Coding
24247	Error control coding	Error Control Coding
24248	Error control coding	Error Control Coding
24249	Error control coding	Error Control Coding
24250	Digital signal processing: Principles, algorithms and application	Signal processing
24251	Fundamentals of digital logic with VHDL design	Computer engineering
24252	Fundamentals of digital logic with VHDL design	Computer engineering
24253	Fundamentals of digital logic with VHDL design	Computer engineering
24254	Fundamentals of digital logic with VHDL design	Computer engineering
24255	Fundamentals of digital logic with VHDL design	Computer engineering
24256	Fundamentals of logic design	Logic circuits, logic design of circu
24257	Fundamentals of logic design	Logic circuits, logic design of circu
24258	Fundamentals of logic design	Logic circuits, logic design of circu
24259	Fundamentals of logic design	Logic circuits, logic design of circu
24260	Fundamentals of logic design	Logic circuits, logic design of circu
24261	Communication systems	Communication Engineering
24262	Communication systems	Communication Engineering
24263	Communication systems	Communication Engineering
24264	Communication systems	Communication Engineering
24265	Communication systems	Communication Engineering
24266	VHDL: programming by examples	Computer engineering
24267	VHDL: programming by examples	Computer engineering
24268	VHDL: programming by examples	Computer engineering
24269	VHDL: programming by examples	Computer engineering
24270	VHDL: programming by examples	Computer engineering
24271	Wireless and mobile network architectures	Cellular telephone systems
24272	Wireless and mobile network architectures	Cellular telephone systems
24273	Wireless and mobile network architectures	Cellular telephone systems
24274	Wireless and mobile network architectures	Cellular telephone systems
24275	Wireless and mobile network architectures	Cellular telephone systems
24276	Signals and systems	Signal processing
24277	Signals and systems	Signal processing
24278	Signals and systems	Signal processing
24279	Signals and systems	Signal processing
24280	Signals and systems	Signal processing
24281	Digital fundamentals	Logic circuits, logic design of circu
24282	Digital fundamentals	Logic circuits, logic design of circu
24283	Digital fundamentals	Logic circuits, logic design of circu

24284	Digital fundamentals	Logic circuits, logic design of circu
24285	Digital fundamentals	Logic circuits, logic design of circu
24286	Circuits and networks: Analysis and synthesis	Network; Circuits and lines
24287	Circuits and networks: Analysis and synthesis	Network; Circuits and lines
24288	Circuits and networks: Analysis and synthesis	Network; Circuits and lines
24289	Circuits and networks: Analysis and synthesis	Network; Circuits and lines
24290	Circuits and networks: Analysis and synthesis	Network; Circuits and lines
24291	Fundamentals of digital logic with verilog design	Computer engineering
24292	Fundamentals of digital logic with verilog design	Computer engineering
24293	Fundamentals of digital logic with verilog design	Computer engineering
24294	Fundamentals of digital logic with verilog design	Computer engineering
24295	Fundamentals of digital logic with verilog design	Computer engineering
24296	Television and video engineering	Television engineering; Electronics
24297	Television and video engineering	Television engineering; Electronics
24298	Television and video engineering	Television engineering; Electronics
24299	Television and video engineering	Television engineering; Electronics
24300	Television and video engineering	Television engineering; Electronics
24301	Digital logic and computer design	Systems analysis and design of Dig
24302	Digital logic and computer design	Systems analysis and design of Dig
24303	Digital logic and computer design	Systems analysis and design of Dig
24304	Digital logic and computer design	Systems analysis and design of Dig
24305	Digital logic and computer design	Systems analysis and design of Dig
24306	Grob's basic electronics	Electronics engineering; Applied p
24307	Grob's basic electronics	Electronics engineering; Applied p
24308	Grob's basic electronics	Electronics engineering; Applied p
24309	Grob's basic electronics	Electronics engineering; Applied p
24310	Grob's basic electronics	Electronics engineering; Applied p
24311	Mobile communications	Cellular telephone systems
24312	Mobile communications	Cellular telephone systems
24313	Mobile communications	Cellular telephone systems
24314	Mobile communications	Cellular telephone systems
24315	Mobile communications	Cellular telephone systems
24316	Basic VLSI design	Logic circuits, logic design of circu
24317	Basic VLSI design	Logic circuits, logic design of circu
24318	Basic VLSI design	Logic circuits, logic design of circu
24319	Basic VLSI design	Logic circuits, logic design of circu
24320	Basic VLSI design	Logic circuits, logic design of circu
24321	Introduction to VLSI circuits and systems	Logic circuits, logic design of circu
24322	Introduction to VLSI circuits and systems	Logic circuits, logic design of circu
24323	Introduction to VLSI circuits and systems	Logic circuits, logic design of circu
24324	Introduction to VLSI circuits and systems	Logic circuits, logic design of circu
24325	Introduction to VLSI circuits and systems	Logic circuits, logic design of circu
24326	Embedded system design	Computer architecture
24327	Embedded system design	Computer architecture
24328	Embedded system design	Computer architecture
24329	Embedded system design	Computer architecture
24330	Embedded system design	Computer architecture

24331	Network Analysis	Network analysis; Electrical engine
24332	Network Analysis	Network analysis; Electrical engine
24333	Network Analysis	Network analysis; Electrical engine
24334	Network Analysis	Network analysis; Electrical engine
24335	Network Analysis	Network analysis; Electrical engine
24336	Semiconductor physics and devices	Semiconductors, physics
24337	Semiconductor physics and devices	Semiconductors, physics
24338	Semiconductor physics and devices	Semiconductors, physics
24339	Semiconductor physics and devices	Semiconductors, physics
24340	Semiconductor physics and devices	Semiconductors, physics
24341	CMOS analog circuit design	Logic circuits, logic design of circu
24342	CMOS analog circuit design	Logic circuits, logic design of circu
24343	CMOS analog circuit design	Logic circuits, logic design of circu
24344	CMOS analog circuit design	Logic circuits, logic design of circu
24345	CMOS analog circuit design	Logic circuits, logic design of circu
24346	Engineering electromagnetics	Magnetic engineering
