

ID	TITLE OF BOOKS	SUBJECT
27413	Introduction to C programming student view (KTU)	Programming languages-C
27414	Introduction to C programming student view (KTU)	Programming languages-C
27415	Introduction to C programming student view (KTU)	Programming languages-C
27416	Introduction to C programming student view (KTU)	Programming languages-C
27417	Introduction to C programming student view (KTU)	Programming languages-C
27418	Alternating current machines (electrical machines-part.2)	Electrical machinery
27419	Alternating current machines (electrical machines-part.2)	Electrical machinery
27420	Alternating current machines (electrical machines-part.2)	Electrical machinery
27421	Alternating current machines (electrical machines-part.2)	Electrical machinery
27422	Alternating current machines (electrical machines-part.2)	Electrical machinery
27423	Humanities and communication skills	Humanities; General Knowledge
27424	Textbook of electrical technology, Vol.2: AC and DC machines	Electrical engineering; Applied physics
27425	Mechanics of solids	Applied solid mechanics
27426	Mechanics of solids (KTU)	Applied solid mechanics
27427	Mechanics of solids	Applied solid mechanics
27428	Mechanics of solids (KTU)	Applied solid mechanics
27429	Mechanics of solids	Applied solid mechanics
27430	Mechanics of solids (KTU)	Applied solid mechanics
27431	Machine tools and digital manufacturing	Machine tools
27432	Machine tools and digital manufacturing	Machine tools
27433	Machine tools and digital manufacturing	Machine tools
27434	Mechanics of machinery	Engineering mechanics; Engineering & allied operations
27435	Mechanics of machinery	Engineering mechanics; Engineering & allied operations
27436	Mechanics of machinery	Engineering mechanics; Engineering & allied operations
27437	Management	General management
27438	Digital processing of speech signal	Signal processing
27439	Digital processing of speech signal	Signal processing
27440	Management: Principles and practices	General management
27441	New era management	General management
27442	Applied Hydrology	Hydraulic engineering
27443	Applied Hydrology	Hydraulic engineering
27444	Climate responsive architecture: A design handbook for energy efficient buildings	Dwelling-Energy Conservation Congress
27445	Structural analysis, vol. 1	Structural analysis and design
27446	Structural analysis, vol. 1	Structural analysis and design
27447	RCC designs	Reinforced concrete; Structural Materials
27448	RCC designs	Reinforced concrete; Structural Materials
27449	RCC designs	Reinforced concrete; Structural Materials
27450	RCC designs	Reinforced concrete; Structural Materials
27451	RCC designs	Reinforced concrete; Structural Materials
27452	Advanced foundation engineering	Civil engineering
27453	Advanced foundation engineering	Civil engineering
27454	Structures	Structural analysis and design
27455	Structures	Structural analysis and design
27456	Introduction to geographical information systems	Geographic information system
27457	Introduction to geographical information systems	Geographic information system
27458	Introduction to geographical information systems	Geographic information system
27459	Introduction to geographical information systems	Geographic information system
27460	Surveying, Vol.2	Estimating and costing (Surveying); Civil engineering
27461	Surveying, Vol.2	Estimating and costing (Surveying); Civil engineering
27462	Principles of geotechnical engineering	Engineering geology
27463	Principles of geotechnical engineering	Engineering geology
27464	Principles of geotechnical engineering	Engineering geology
27465	Engineering hydrology	Hydraulic engineering
27466	Engineering hydrology	Hydraulic engineering
27467	Textbook of surveying and levelling	Estimating and costing (Surveying); Civil engineering
27468	Textbook of surveying and levelling	Estimating and costing (Surveying); Civil engineering
27469	Textbook of surveying and levelling	Estimating and costing (Surveying); Civil engineering
27470	Irrigation waterpower and water resource engineering	Irrigation
27471	Irrigation waterpower and water resource engineering	Irrigation
27472	Electrical machines	Electrical machinery
27473	Electrical machines	Electrical machinery
27474	Electrical machines	Electrical machinery
27475	Network analysis and synthesis	Network analysis; Electrical engineering; Applied physics,Low voltage systems
27476	Network analysis and synthesis	Network analysis; Electrical engineering; Applied physics,Low voltage systems
27477	Network analysis and synthesis	Network analysis; Electrical engineering; Applied physics,Low voltage systems
27478	Power electronics, essentials & applications	Control devices; Including circuit breakers, fuses, grounding devices, lightning arresters, relays
27479	Power electronics, essentials & applications	Control devices; Including circuit breakers, fuses, grounding devices, lightning arresters, relays
27480	Energy technology: Non conventional, renewable & Conventional	Energy engineering
27481	Energy technology: Non conventional, renewable & Conventional	Energy engineering
27482	Energy technology: Non conventional, renewable & Conventional	Energy engineering
27483	Network analysis and synthesis	Network analysis; Electrical engineering; Applied physics,Low voltage systems
27484	Network analysis and synthesis	Network analysis; Electrical engineering; Applied physics,Low voltage systems
27485	Network analysis and synthesis	Network analysis; Electrical engineering; Applied physics,Low voltage systems
27486	Wind power plants and project development	Wind powered generation
27487	Non-conventional energy resources	Energy engineering
27488	Solar energy photovoltaics: Fundamentals, Technologies and applications	Solar-energy engineering; Heat engineering; Applied physics
27489	Solar energy photovoltaics: Fundamentals, Technologies and applications	Solar-energy engineering; Heat engineering; Applied physics
27490	Solar energy photovoltaics: Fundamentals, Technologies and applications	Solar-energy engineering; Heat engineering; Applied physics
27491	Solar energy: Fundamentals, design, modelling and applications	Solar-energy engineering; Heat engineering; Applied physics
27492	Course in electrical power	Power system
27493	Signals and systems	Signal processing
27494	Signals and systems	Signal processing
27495	Fundamentals of database systems	Data files and databases; Computer science
27496	Fundamentals of database systems	Data files and databases; Computer science
27497	Ad hoc wireless networks: Architectures and protocols	Computer communication networks
27498	Ad hoc wireless networks: Architectures and protocols	Computer communication networks
27499	Modern approach to Non verbal reasoning	Competitive exams study materials; Study and teaching
27500	Computer algorithms: Introduction to design and analysis	Computer algorithms
27501	Computer algorithms: Introduction to design and analysis	Computer algorithms
27502	Computer algorithms: Introduction to design and analysis	Computer algorithms
27503	Sustainable engineering: Concepts, design and case studies	Sanitary and municipal engineering, Environmental protection engineering
27504	Sustainable engineering: Concepts, design and case studies	Sanitary and municipal engineering, Environmental protection engineering
27505	Sustainable engineering: Concepts, design and case studies	Sanitary and municipal engineering, Environmental protection engineering
27506	Sustainable engineering: Concepts, design and case studies	Sanitary and municipal engineering, Environmental protection engineering
27507	Sustainable engineering: Concepts, design and case studies	Sanitary and municipal engineering, Environmental protection engineering
27508	Data structures	Data structures
27509	Data structures	Data structures
27510	GATE 2018: Computer science & information technology	Competitive exams study materials; Study and teaching
27511	Numerical problems, examples and objective questions in geotechnical engineering	Engineering geology
27512	Numerical problems, examples and objective questions in geotechnical engineering	Engineering geology
27513	Structural analysis, vol. 2	Structural analysis and design
27514	Structural analysis, vol. 2	Structural analysis and design
27515	Theory of machines	Machine Engineering
27516	Theory of machines	Machine Engineering
27517	Mechanics of solids	Applied solid mechanics
27518	Mechanics of solids (KTU)	Applied solid mechanics
27519	Mechanics of solids	Applied solid mechanics
27520	Mechanics of solids (KTU)	Applied solid mechanics
27521	Mechanics of solids	Applied solid mechanics
27522	Mechanics of solids (KTU)	Applied solid mechanics
27523	Engineering mechanics	Engineering mechanics; Engineering & allied operations
27524	Basics of electrical engineering (KTU)	Electrical engineering; Applied physics
27525	Mechanics of solids	Applied solid mechanics
27526	Mechanics of solids (KTU)	Applied solid mechanics
27527	Mechanics of solids	Applied solid mechanics
27528	Mechanics of solids (KTU)	Applied solid mechanics
27529	Mechanics of solids	Applied solid mechanics
27530	Mechanics of solids (KTU)	Applied solid mechanics
27531	Mechanics of solids	Applied solid mechanics
27532	Mechanics of solids (KTU)	Applied solid mechanics
27533	Mechanics of machinery	Engineering mechanics; Engineering & allied operations
27534	Mechanics of machinery	Engineering mechanics; Engineering & allied operations
27535	Machine tools and digital manufacturing	Machine tools
27536	Mechanics of machinery	Engineering mechanics; Engineering & allied operations
27537	Mechanics of machinery	Engineering mechanics; Engineering & allied operations
27538	Machine tools and digital manufacturing	Machine tools
27539	Mechanics of machinery	Engineering mechanics; Engineering & allied operations
27540	Machine tools and digital manufacturing	Machine tools
27541	Machine tools and digital manufacturing	Machine tools
27542	Mechanics of machinery	Engineering mechanics; Engineering & allied operations
27543	Mechanics of machinery	Engineering mechanics; Engineering & allied operations
27544	Machine tools and digital manufacturing	Machine tools
27545	Machine tools and digital manufacturing	Machine tools
27546	Machine tools and digital manufacturing	Machine tools
27547	Mechanics of machinery	Engineering mechanics; Engineering & allied operations
27548	Machine tools and digital manufacturing	Machine tools
27549	Machine tools and digital manufacturing	Machine tools
27550	Mechanics of machinery	Engineering mechanics; Engineering & allied operations
27551	Complex analysis and linear algebra	Functions of complex variables; Analysis; Mathematics
27552	Life skills for engineers	Humanities; General Knowledge
27553	Mechanics of machinery	Engineering mechanics; Engineering & allied operations
27554	Mechanics of machinery	Engineering mechanics; Engineering & allied operations
27555	Machine tools and digital manufacturing	Machine tools
27556	Life skills for engineers	Humanities; General Knowledge
27557	Complex analysis and linear algebra	Functions of complex variables; Analysis; Mathematics
27558	Life skills for engineers	Humanities; General Knowledge
27559	Complex analysis and linear algebra	Functions of complex variables; Analysis; Mathematics
27560	Advanced mechanics of solids: A gentle introduction	Applied solid mechanics
27561	Advanced mechanics of solids: A gentle introduction	Applied solid mechanics
27562	Advanced mechanics of solids: A gentle introduction	Applied solid mechanics
27563	Advanced mechanics of solids: A gentle introduction	Applied solid mechanics
27564	Advanced mechanics of solids: A gentle introduction	Applied solid mechanics
27565	Business economics	Engineering Economics
27566	Business economics	Engineering Economics
27567	Business economics	Engineering Economics
27568	Business economics	Engineering Economics
27569	Industrial psychology	Psychology
27570	Antenna and wave propagation	Antennas
27571	Antenna and wave propagation	Antennas
27572	Macroeconomic theory and applications	Macroeconomics & related topics
27573	Macroeconomic theory and applications	Macroeconomics & related topics
27574	Robotics and control	Robotic engineering
27575	How to solve it by computer	Competitive exams study materials; Study and teaching
27576	How to solve it by computer	Competitive exams study materials; Study and teaching
27577	Computer organization and architecture	Computer architecture
27578	Computer organization and architecture	Computer architecture
27579	Core Java: An integrated approach	Programming languages-Java
27580	Core Java: An integrated approach	Programming languages-Java
27581	Operating system concepts	Operating system
27582	Operating system concepts	Operating system
27583	Web programming: building internet applications	Web Programming for communications
27584	Web programming: building internet applications	Web Programming for communications
27585	Managerial economics	Managerial economics
27586	Managerial economics	Managerial economics
27587	Mechanical engineering for Competitions	Engineering mechanics; Engineering & allied operations
27588	Mechanical engineering for Competitions	Engineering mechanics; Engineering & allied operations
27589	Mechanical engineering: Conventional and objective type	Engineering mechanics; Engineering & allied operations
27590	Mechanical engineering: Conventional and objective type	Engineering mechanics; Engineering & allied operations
27591	Software engineering	Software engineering
27592	Software engineering	Software engineering
27593	Fundamentals of algorithmics	Mathematical models (Mathematical simulation)
27594	XML: How to program	Web Programming for communications-XML
27595	XML: How to program	Web Programming for communications-XML
27596	Cloud computing: A practical approach	Cloud Computing
27597	Elements of engineering electromagnetics	Magnetic engineering
27598	Elements of engineering electromagnetics	Magnetic engineering
27599	Web technologies: A computer science perspective	Web Programming for communications
27600	Web technologies: A computer science perspective	Web Programming for communications
27601	Introduction to parallel computing	Multiprocessing,Parallel programming
27602	ANSI C programming	Programming languages-C
27603	ANSI C programming	Programming languages-C
27604	Parallel programming in C with MPI and open MP	Programming languages-C
27605	Electric machines	Electrical machinery
27606	Introduction to the design and analysis of algorithms	Computer algorithms
27607	Introduction to the design and analysis of algorithms	Computer algorithms
27608	Software engineering: A practitioner's approach	Software engineering
27609	Software engineering: A practitioner's approach	Software engineering
27610	Introduction to java programming	Programming languages-Java
27611	Introduction to java programming	Programming languages-Java
27612	International human resource management	Human Resource Management
27613	Digital logic and computer design	Systems analysis and design of Digital computers
27614	Digital logic and computer design	Systems analysis and design of Digital computers
27615	Antennas and radiowave propagation	Radio engineering; Electronics engineering; Applied physics
27616	Antennas and radiowave propagation	Radio engineering; Electronics engineering; Applied physics
27617	Electronic & radio engineering	Radio engineering; Electronics engineering; Applied physics
27618	Thyristor-based facts controllers for electrical transmission systems	Thyristors
27619	Life skills for engineers	Humanities; General Knowledge
27620	Complex analysis and linear algebra	Functions of complex variables; Analysis; Mathematics
27621	Calculus for KTU	Calculus and analytic geometry
27622	Basic electrical and electronics engineering	Electrical engineering; Applied physics
27623	Textbook of engineering mathematics-semester 1&II	Engineering mathematics
27624	Text book of basic mechanical engineering	Engineering mechanics; Engineering & allied operations
27625	Mechanics of machinery	Engineering mechanics; Engineering & allied operations
27626	Mechanics of machinery	Engineering mechanics; Engineering & allied operations
27627	Machine tools and digital manufacturing	Machine tools
27628	Mechanics of machinery	Engineering mechanics; Engineering & allied operations
27629	Mechanics of machinery	Engineering mechanics; Engineering & allied operations
27630	Machine tools and digital manufacturing	Machine tools
27631	Machine tools and digital manufacturing	Machine tools
27632	Mechanics of machinery	Engineering mechanics; Engineering & allied operations
27633	Mechanics of machinery	Engineering mechanics; Engineering & allied operations
27634	Swaraj	Malayalam miscellaneous writings
27635	Manorama yearbook 2017	Malayalam miscellaneous writings
27636	Manorama yearbook 2018	Malayalam miscellaneous writings
27637	Objective physics for JEE class XII	Competitive exams study materials; Study and teaching
27638	Objective mathematics for JEE class XI	Competitive exams study materials; Study and teaching
27639	Objective mathematics for JEE class XII	Competitive exams study materials; Study and teaching
27640	Objective physics for JEE class XI	Competitive exams study materials; Study and teaching
