

STUDENT'S SOCIAL SKILLS DEVELOPMENT FORUM

The STUDENT'S SOCIAL SKILL DEVELOPMENT FORUM formed impart social awareness and to build social values, ethics etc in royal students

OBJECTIVES OF SSSDF

- To impart social awareness and to build social values, ethics etc in students.
- Student social responsibility mainly focuses on taking responsibility for one's own actions.
- It is a promise everyone should make for the society while working for the social, cultural and, ecological causes.
- These responsibilities are ethically binding and propose that each person acts in such a way that minimizes the adverse effect to those immediately around them.
