HOW TO REDUCE YOUR ELECTRICITY BILL??

R-SAIL of **RCET** organized a workshop in the topic “**How to reduce your electricity bill??**” handled by Mr.V.K Haridas (Assistant Professor EEE) at SDPK lab (Room No.417) on 25-03-2022. Mr.Sankunny.T.M,(Technical staff ME) welcomed all the participants to the programme. Our Principal Dr.Devi.V addressed this session.CEO Mr.Salim appreciated Mr.Haridas for his smart and continuously learning effort. HoDs, technical staff, office staff & faculty members attended the programme. More than 40 participants attended the session. The session aimed to utilize the home electrical & electronic appliances in an optimal manner. He also suggested some methods to save energy while using these appliances. Many staff enquired & cleared their doubts & problems faced by them while using appliances in their day to day life. The session was so informative & interactive and helped staffs to improve their knowledge about energy saving.

After this session, **Teaching Learning Centre-RCET** was inaugurated by Sri V K Haridas.CEO Mr.Salim honored our college senior faculty Sri. V K Haridas during this session. Vote of thanks was given by Mr.Sasikumar V K(Technical staff ASH).Sincere involvement of all staff very much helped for the successful conduct of the programme.
