1 PROFILE OF RCET

Royal College of Engineering and Technology (RCET), is accredited by NAAC and is an NRI initiative, established in 2003 with a mission to train the youth to be the leaders of tomorrow with apt skills, deep rooted sense of social responsibility, strong ethical values and to provide a global outlook to face the challenges of the changing world. RCET with its vision of making the institution a centre of excellence in the area of Technical Education at par with International standards is having a state-of-the-art infrastructure and serene ambience. The campus located at Akkikavu, the meeting point of Thrissur, Palakkad and Malappuram districts, is 6 km from Kunnankulam and is easily accessible by road. The campus environment promises physical, mental, and cultural development of the students and steer them to the path of academic progress.

The campus has commendable aesthetically built buildings, well-furnished class rooms, lecture theatres, laboratories, workshops, library and computer centre that aid the students attain academic excellence. The well-qualified faculty members ascertain the timely completion of the syllabi. RCET encourages the students to participate in quite a number of activities outside and inside the campus such as attending project exhibitions, seminar presentations and industrial training. The campus also provides a platform for cultural recreational and social activities for the holistic development of every individual.

Vision & Mission of RCET

Vision

“To continuously grow as a Resourceful, Outstanding, Youthful, Adaptive institution in the field of engineering and technology, habituating Lifelong learning”

Mission

“To groom the youth into eminent technocrats- with lifelong learning skills to meet future requirements, deep sense of social responsibility, strong ethical values and a global outlook, to face the challenges of the changing world.”

Quality Policy

We at RCET are committed to provide good quality service in the field of technical education for the overall development of the students and for transforming the Institution as a centre of excellence. We achieve this by providing state of the art facilities for keeping the students abreast with the latest developments in the field of engineering, through faculty up gradation, providing opportunities for extracurricular development and by giving placement assistance.

4 ADMISSION

We appreciate your interest in seeking admission to the Engineering Degree programme offered by this College. Engineering studies is about acquiring technical skills and knowledge to solve problems of people and society. At RCET, we are committed in providing you quality education and acquaint you with most modern and future technologies. The College is continuously expanding both its academic and physical infrastructure with the aim of creating the best learning environment to the students. We have arranged every opportunity for a student to widen and enhance his / her knowledge, skills and potential.

Eligibility for Admission (B. Tech)

Admission to the B.Tech. programme, admission policy and procedure shall be decided from time to time by following the guidelines issued by the Government of Kerala and the Government of India and other statutory bodies such as AICTE & APJ Abdul Kalam Technological University.

Eligibility Criteria for Admission in Management Quota

1. **Nationality:** Candidates must be citizens of India.
2. **Age:** Applicants should have completed 17 years of age as on 31st December 2021.
3. **Academic Requirements:** The applicant should have completed Higher Secondary Examination of the Board of Higher Secondary Education of Kerala or an examination recognized equivalent thereto with at least 40% marks in Mathematics, Physics and Chemistry/equivalent subjects put together or equivalent grade. Rounding off the percentage of marks to the nearest whole number is not permitted.
4. **Entrance Examination:** Candidates should qualify (a minimum of 10 marks each in Paper I and Paper II) in the Engineering Entrance Examination conducted by the Commissioner of Entrance Exams, Govt. of Kerala (KEAM) and should be listed in KEAM Rank List. Candidates qualified in JEE are also eligible for admission in management quota.

Admission Procedure for NRI Students

The Management is entitled to fill up 15% seats in the NRI category (NRI) by admitting qualified students who are dependents of Non-Resident Indians. These students are exempted from qualifying in any Entrance Test and can be admitted based on their academic eligibility as stipulated by AICTE, Govt of Kerala and APJ Abdul Kalam Technological University (KTU).

Academic Requirements for NRI Quota: The applicant should have completed Higher Secondary Examination of the Board of Higher Secondary Education of Kerala or an examination recognized equivalent thereto with at least 40% marks in Mathematics, Physics and Chemistry/equivalent subjects put together or equivalent grade. RACE Committee

The demand for technically competent engineering graduates has been growing year

after year. However, the employability factor of the students passing out from various colleges and universities is very low. The RCET Management resorted not to happen this with our students. While providing quality technical education, we are also keen to make them Industry relevant and ready to place candidates through a new program Royal Advance Career Education centre (RACE). As a part of this, we have entered into strategic partnerships with Industrial firms, Universities and technology leaders from various areas of specialization. Students have the option to take Diploma and Certificate courses in Instrumentation, Automation, Embedded systems, High end software programming, VLSI Design, Chip level programming etc. We conducted courses like Post Graduate diploma in Industrial Automation (PGDIA), Building Information Modelling (BIM), CCNA, Electrical Utility System Design, HVAC Designing & Drafting and Certified Quality Controller for various departments. At the outset, the students should have overcome their lack in understanding the real - time exposure that's required to be Industry ready Engineer and to work in the global scenario.

Alumni Association

Alumni Association of the College was formed in 2011. A web portal, www.alumni.royalcet.ac.in has been launched exclusively for alumni activities.

Different clusters of RCET alumni association are formed in different regions

1. Era Emirates Royal alumni at UAE

2. RCET alumni at Qatar

3. RCET alumni at Bengaluru

4. RCET alumni at Chennai

The objectives of the association are:

- To create a platform for Alumni interaction.
- To foster relationships between the alumni and the students.
- To provide a forum to establish link between the alumni, faculty and students.
- To get participation of alumni in the development activities of the college.
- To provide financial help to deserving students depending on the availability of funds.
- To develop Industry Institute Interaction through alumni members.
- To improve placement opportunities for fellow alumni and fresh graduates.

The office bearers of the Alumni Association are as follows,

Principal, RCET	President
Mr. Krishnakumar R	Vice President, HOD/ECE,
Mr. Raisen Joy	Treasurer, Accounts, AP/ME

National Service Scheme (NSS)

National Service Scheme has emerged as a powerful and dynamic youth movement in this country. NSS is acting as a catalyst to build up the right type of leadership in an Institution. The main aim of the scheme is to provide opportunities to the teachers and students to gain valuable practical experience through community service. A unit of the NSS cell (Tech.) [unit no.143] is functioning in the college. NSS is acting as a catalyst to build up the right type of leadership in the institution. The main aim of the scheme is to provide opportunities to the students to gain valuable practical experience through community service.

Duties of NSS volunteer

1. To understand the community in which NSS volunteers work.
 2. To understand themselves in relation to their community.
-

-
3. To identify the needs and problems of the community and involve them in problem solving process.
 4. To develop among themselves a sense of social and civic responsibility.
 5. To utilize their knowledge in finding practical solution to individual and community problems

Women's Club

Royal College of Engineering & Technology "Women's Club" run exclusively by girls for girls. All of its programs are aimed at achieving the dictum of Embodiment, Empowerment and Enhancement of Women.

Objectives:

- To offer awareness programs / Guest Lectures and Workshop for female gender to empower and advance their development as individuals in their own right.
- To organize entertaining & educational activities for development of women.
- Raising awareness about women rights.

ISTE Chapter

The Indian Society for Technical Education is a national, professional, non-profit making Society registered under the Societies Registration Act of 1860. The major objective of the ISTE is to assist and contribute in the production and development of top-quality professional engineers and technicians needed by the industries and other organizations. It is the largest technical organization in India of this kind.

Royal college of Engineering and Technology is a member of Indian Society of Technical education (ISTE), New Delhi. The chapter has formed a technical committee for organizing various activities through the chapter in the RCET campus. The technical committee includes representatives from all the departments of RCET.

The Major Objective of the ISTE are:

- Providing quality training programs to teachers and administrators of technical institutions to up- date their knowledge and skills in their fields of activity.
- To assist and contribute in the production and development of top-quality professional engineers and technicians needed by the industry and other organizations. Providing guidance and training to students to develop better learning skills and personality.

There are around 11 staff members in the chapter having ISTE lifetime membership. The Chapter very actively conducts various activities in the campus.

Staff in charge: Ms. Najiya Abdulrahiman (Asst. Professor, ECE) Mob. No.: 9995486858

Digital Class room

RCET implemented a Digital Classroom, in collaboration with Pearson, one of the Largest Education company. This has opened its vistas to an entirely new world of education where, with the aid of the computer, the Students are transported from mere learning ‘from the talk and chalk method’ to a world of visual appeal and interest. Both the Teachers and Students are empowered and enlightened, as better teaching – learning process is facilitated. The students’ learning is enriched with the added use of graphics, video, self-explanatory diagrams, Concept maps, 3D interactivity, Worksheets, Quizzes, E - books and previous question papers – all of which are regularly updated and it has a long-lasting effect on the retention of the students.

IIT Bombay Remote Centre

We feel accolade for being a unique private sector under Calicut University serving as a Remote centre to IIT Bombay to enhance the technical skills of students as well as the teaching skills of faculty members in engineering subjects. Events are conducted in college using multi - way visual interaction. Tutorials and labs are conducted by experienced faculties from the college, trained earlier by the expert from IITs.

Student's Welfare & Grievances Redressal committee

Student grievance cell is functioning in our campus to develop a responsive and accountable attitude among all the stakeholders in order to maintain a harmonious educational atmosphere in the institute.

The cell deals with grievances received in writing from the students about any of the following matters.

1. Academic matters: Issue mark sheet, TC, conduct certificate etc.
2. Financial matters: Due on par various items. from library, hostel etc.
3. Other matters: About conditions of sanitation, preparation of food, availability of transport

The student's grievance cell is fully automated in our College. In this context we have introduced Linways Grievance Management System which is now available in Linways AMS. Through this, students can report any issues they face to higher authorities and authorities can take necessary actions against those issues. Also, students as well as their parents can check the attendance, Internal assessment marks, Series test marks, assignment marks etc. using the Login id provided by the college.

The members are:

Dr. Devi V	Principal, Chairperson
Mr. Jacob John	Convener, HoD/ASH
Ms. Radhika E R	Member (AP/ECE)
Mr. Leo Mathew	Member (AP/ME)
