LED BULB ASSEMBLING WORKSHOP

R-SAIL of **RCET** conducted a hands on experience session in assembling LED bulbs to first year students, as a part of Student Induction Programme (SIP), for the academic year 2022-2023, in association with the department of AS&H, SSSDF, IEDC and NSS on 25-10-2022 in Lab No.238, 214. This session was handled by Mr.V.K Haridas (Assistant Professor EEE) and supported by technical staffs Ms. Siji P V (EEE), Ms. Supriya P D (EEE), Ms. Nima(CE), Mr. Sasikumar T S (AS&H),Mr.Moosa (ECE),Mr.Reji (ME), Mr.Sankunny T M (ME).160 students participated in this programme. The event was highly successful and the students got awareness in assembling LED bulbs. The advantage of LED bulbs in minimizing energy usage in our daily life was explained to the students during session. These assembled bulbs were made available for purchase to students and staffs of RCET and was a grand success. Photos of this event are attached here.

LEORA 2K22

In accordance with X'mas and New year celebration, Royal College of Engineering & Technology, R-SAIL hosted "LEORA 2K22" to improve the technical skills in LED star assembling of first semester students in association with IEDC and IE(I). This program was conducted on 17th December 2022. Around 50 students participated in this program. The session was handled by Mrs.Siji PV (TS/EEE) supported by Mrs.Priya (TS/ME), Mr.Sasikumar (TS/ASH), Mrs.Sumangala (TS/ECE), Mr.Sam (TS/ECE), Mr. Reji (TS/ME). During this session our Principal Dr. Devi V and Mr. Haridas V K (AP/EEE) addressed students and gave inspiration talk to all participants. Principal appreciated the enthusiasm shown by students and recommended more technical skill based events. As a future plan students agreed to have solar based X'mas stars in coming future. The session was well enjoyed by students and expressed it in their feedback.
