

THE NEW ROYAL TIMES

RCET HALF YEARLY NEWSLETTER

VISION

“To continuously grow as a Resourceful, Outstanding, Youthful, Adaptive Institution in the field of Engineering and Technology habituating Lifelong learning”.

MISSION

“To groom the youth into eminent technocrats- with lifelong learning skills to meet future requirements, deep sense of social responsibility, strong ethical values and a global outlook, to face the challenges of the changing world”

QUALITY POLICY- (2015)

We at RCET are committed to provide and continually improve quality service in the field of technical education for the overall development of the students and for transforming the institution as a centre of excellence. This we achieve by providing state of the art facilities for keeping the students abreast with the developments in the field of engineering, by faculty up gradation, by providing opportunities for extracurricular development and by giving placement assistance.

NATIONAL CONFERENCE ON EMERGING TECHNOLOGIES 2020

National level Conference was conducted on 26th September 2020 on Emerging Technologies 2020. The opening ceremony was conducted at 9.30 am. The Welcome address was delivered by Prof.(Dr).Sreeraj R, Director CCE, RCET. The Presidential Address was delivered by Prof.(Dr).Devi V, Principal, RCET. The session was also addressed by Mr.V.P.Salim CEO, RCET. The NCET 2020 conference was inaugurated by Prof. (Dr).Tripti S Warriar, Dept. of Electronics, Cochin University of Science and Technology (CUSAT). The Chief Guest and Keynote Speaker was Prof(Dr).Sindhu S, Department of CSE Chairperson, BoS (CS&IT), University of Calicut and she delivered a speech on 5G Technology, IoT. The session was Felicitated by Prof.Amrutha M Chemmanur, HoD EEE dept, RCET, Prof. Nasser Yunus, Placement Director, RCET, and the Vote of Thanks for the session was given by Ms.Savitha Vasudevan, Assistant Professor ECE,RCET and one of the Coordinators of NCET 2020. The individual departmental session began with individual meeting id's of various department by 11.00 am. In the morning session, approximately 200 members including Industrialists, Research Experts, PG& UG Students from various colleges, faculty members participated.

- Meeting with the Dr. Devi Balakrishnan, (Principal RCET), Mr. Nasser Yunus, (Head of CE Department), Mr. Jijo Joseph (IEC specialist RPMU, Jalanidhi, Idukki), Mr. Johny (Manager, Rain cell PMU, Jalanidhi, Tri-vandrum) and Mr. Shoy T S (APCE) on implementation of Jal Jeevan Mission programme in Kadangode panchayath.
- Final year students organised an online Onam Celebration on 02/09/2020 at 2 PM in google meet. All students from S3, S5, S7 and all staffs included in the programme. Staffs and students participated. Department of Civil Engineering conducted a technical session on the topic "Diagnosis of Failure in Concrete Structures" by Prof. N Ganesan as a part of National Conference on Emerging Technologies 2020. Programmes of Civil Engineering department starts at 11:00 AM. Prof. Dr. N Ganesan was the panel chairman. Prof. K O Vargheese, Prof. Dr. Aswin Kokkat and Dr. Abhilasha P S were session chairs. 8 technical papers were presented in the conference.
- BEST FACULTY PAPER: Ms. Athira Premkumar
- BEST STUDENT PAPER: Anjali K, Asla B N, Fathimathul Adhila P A, Mufassil V P.
- Department of Civil Engineering hosted a webinar on "Opportunities in Civil Engineering in the Public Sector" in association with Civilians, Tri-vandrum on 26th August 2020 by Ms. Arya KR, Manager-Corporate Relations.
- Department of Civil Engineering hosted a webinar on "Analysis and Design in STAAD PRO" on August 28, 2020 by Mrs. Sahya Deepak, Chartered Engineer, BIM Engineer, Young Architecture.
- Department of Civil Engineering hosted a webinar on "Construction for Life- In the Modern Era of Natural Disasters" on July 22, 2020 by Mr. Sabith K, Assistant Professor, Department of Civil Engineering, Royal College of Engineering and Technology, Akkikavu

Department Achievement

- CE department got Second Position in the Virtual Arts Fest – Dhanak 2020.

COMPUTER SCIENCE AND ENGINEERING

VISION

- *To grow as a globally premier department of Computer Science and Engineering capable of facing challenges of the fast pace of changes in modern Computing industry for the betterment of Society through most appropriate and Ethical practices.*

MISSION

- *To impart high quality education to students with strong foundation of Computer Science and Engineering through Outcome Based Learning (OBE).*
- *To empower the students with the required skills to solve the complex technological problems of modern society and to conduct multidisciplinary research for developing innovative solutions.*
- *To provide a learning ambience to enhance innovative, problem solving skills, leadership qualities, team spirits and ethical responsibilities with a commitment to lifelong learning.*
- *Establish industry institute interaction program to enhance the entrepreneurship skills.*

Faculties Relieved

- Dr.Sreeraj .R, Professor & Director, CSE Dept. relieved on 4/12/2020.
- Dr.S.P. Predeep Kumar Professor & HOD CSE Dept. relieved on 29/9/2020.

FDPs / Workshops / Weninars/ STTP Attended

- Dr. S. P. Predeep Kumar, HOD CSE, attended a one week online workshop on " Image Processing using MATLAB " organized by Department of Computer Science and Engineering and Department of Information Technology on 6th to 11 th July, 2020.
- Dr.S.PredeepKumar,HOD CSE , attended 3 day FDP on " Trends in artificial intelligence and data science" conducted by Department of Information Technology,Easwari Engineering college from 13th July to 15 th July,2020.
- Dr Sreeraj R, participated in the 5 day Online Faculty Development Program on "Artificial Intelligence and Data Analytics for Automation" organized by the Department of Robotics Engineering, Karunya Institute of Technology and Sciences, Coimbatore, held from 27th July to 31st July 2020.
- Ms.Sana Sahban, Assistant Professor CSE, attended 3day FDP on "Outcome based education in higher education sector" from 23th to 25th July,2020.
- Ms.Sana Sahban, Assistant Professor CSE, attended International level online FDP on "LINUX fundamental with cloud and container platform" conducted by Marian college in association with RedHat.
- Ms.Sana Sahban, Assis-

tant Professor CSE, attended 3day FDP on "Professional development of woman engineers in post COVID era" organized by Women cell and COVID cell from 20th to 22th July,2020.

- Ms.Sana Sahban, Assistant Professor CSE, attended 2day online FDP on "IOT protocols and security " organized by Department of Computer Science and Technology,TOC-H Institute of Science and Technology on 29th to 30th July 2020.
- Ms.Sana Sahban, Assistant Professor CSE, attended Webinar on "Artificial intelligence in health care analysis" organized by Department of Computer Science and Engineering on 22th July 2020.
- Ms.Jensy Varghese, Assistant Professor CSE attended 3day online FDP on "Professional development of woman engineers in post COVID era" organized by women cell and COVID cell MBITS,20th to 22th July,2020.
- Ms.Jensy Varghese, Assistant Professor CSE attended 1day online FDP on " outcome based education software " organized by Vmedulife software services on 4th July 2020.
- Ms.Jensy Varghese, Assistant Professor CSE attended 5day online FDP on "Emerging Technologies In IT Industry 2020" organized by Department of Information Technology,Thiruvananthapuram from 6th to 10th July,2020.
- Ms.Jensy Varghese, Assistant Professor CSE attended "Preventive measure for cyber threats in virtual learning ENVIRONMENT" organized by Department of Computer Science Application and Department of Mathematics held on July 15,2020.

- Ms.Meera V M, Assistant Professor CSE, attended an online webinar on "Light to data science" organized by Sreepathi Institute of Management and Technology on 25th July ,2020
- Ms.Meera V M, Assistant Professor CSE, attended an online webinar on "Smart phone security and cyber forensic" organized by CSE in association with ACE on 25th July,2020
- Ms.Meera V M, Assistant Professor CSE, attended an online webinar on "An introduction to computer vision and deep learning" organized by Department of Computer Science and Engineering,AWH College ,on 29th July 2020.
- Ms.Meera V M, Assistant Professor CSE, attended an online webinar on " Unlock the pandemic days with machine learning" organized by Sreepathi Institute of Management and Technology on July 2020
- Ms.Meera V M, Assistant Professor CSE, attended an online webinar on " How to become employable under current indian scenario" organized by Sreepathi Institute of Management and Technology on 26th July 2020.
- Ms.Bhavya K Bharathan, Assistant Professor CSE, attended a webinar on "Introduction to microservices " organized by Department of CSE,Jyothi Engineering College,Thrissur on 30th July 2020
- Ms.Bhavya K Bharathan, Assistant Professor CSE, attended a webinar on " Data analytics " conducted by Department of Computer Science and Engineering,Mount Zion College of Engineering on 17th July 2020.
- Ms.Bhavya K Bharathan, Assistant Professor CSE, attended a webinar on " Opportunities in data science"

Organized by Sreenarayana Guru College of Engineering and Technology on 18th July 2020.

- Ms. Bhavya K Bharathan, Assistant Professor CSE, attended a webinar on "Advanced natural language processing" by Department of Computer Science and Engineering, AWH Engineering college on 20th July 2020.
- Ms. Bhavya K Bharathan, Assistant Professor CSE, attended a webinar on "Dive into big data" conducted by Sreepathi Institute of Management and Technology on 23rd July, 2020.
- Ms. Bhavya K Bharathan, Assistant Professor CSE, attended a webinar on "How to become employable under current indian scenario" organized by Sreepathi Institute Of Management and Technology on 26th July 2020.
- Ms. Bhavya K Bharathan, Assistant Professor CSE, attended an online 5day FDP program on " securities in global emergencies" organized by CSE, Nehru college of engineering and research center from 13th to 17th July, 2020.
- Ms. Ihsana Muhammad P attended 2day online FDP on "IOT protocols and security" organized by Department of Computer Science and Technology, TOC-H Institute of Science and Technology on 29th to 30th July 2020
- Ms. Ihsana Muhammad P, Assistant Professor CSE, attended an online webinar on "an introduction to computer vision and deep learning" organized by Department of Computer Science and Engineering, AWH College, on 29th July 2020.
- Ms. Ihsana Muhammad P, Assistant Professor CSE, attended an online webinar on " unlock the pandemic days with ma-

chine learning" organized by Sreepathi Institute of Management and Technology on July 2020.

- Ms. Anitha L, Assistant Professor CSE, attended an online webinar on "deep learning for nlp applications" organized by Department of Computer Science and Engineering, LBS college of Engineering on 7th July 2020.
- Ms. Anitha L, Assistant Professor CSE, attended an online webinar on "industrial artificial intelligence" organized by Department of Computer Science and Engineering, Jyothi Engineering College, Thrissur on 23rd June 2020.
- Ms. Anitha L, Assistant Professor CSE, attended an online webinar on "introduction to microservices" organized by Department of CSE, Jyothi Engineering College, Thrissur on 30th July 2020.
- Ms. Anitha L, Assistant Professor CSE, attended 1day Online FDP on " outcome based education software " organized by Vmedulife software services on 4th July 2020.
- Ms. Venitha Viswanathan, Assistant Professor CSE, attended an online webinar on "ROBO TECH " conducted by Royal Aim in association with department of mechanical engineering on 16th July 2020
- Ms. Venitha Viswanathan, Assistant Professor CSE, "make a difference be an engineer " conducted by IEDC in association with RCET on 8th July 2020.
- Ms. Apsara Panicker, Assistant Professor CSE, attended a webinar on Introduction to microservices " organized by Department of CSE, Jyothi Engineering College, Thrissur on 30th July 2020.
- Dr. Sreeraj.R, Professor & Director, CSE, attended AICTE sponsored 6 Days FDP on "

Data Analytics and Machine Learning" organized by Amal Jyoti Engineering College from 3rd to 8th August 2020.

- Dr. Sreeraj.R, Professor & Director, CSE, attended AICTE sponsored 6 Days FDP on " Data Analytics and Machine Learning Tools - Phase II" organized by Amal Jyoti Engineering College from 17th to 22nd August 2020.
- Dr. Sreeraj.R, Professor & Director, CSE, attended IQAC initiative 6 Days FDP on " Data Science using Python, R and Orange" organized by Rajagiri College of Social Science from 10-15 August 2020.
- Dr. Sreeraj.R, Professor & Director, CSE, attended 5 Days FDP on " Deep Learning & Natural Language Processing" organized by NLP Research Group, Rajagiri College of Engineering from 10-14 August 2020.
- Dr. Sreeraj. R, Professor & Director, CSE, attended 6 Days AICTE sponsored STTP on " Machine Learning with python in Data Science- Application and Research Perspective" organized by SRM Institute of Science and Technology from 24-29 August 2020.
- Dr. Sreeraj. R, Professor & Director, CSE, attended Webinar on " Artificial Intelligence for Node failure Prediction and Recovery in WSN " organized by Panimalar Institute of Technology on 14th August 2020.
- Dr. Rasmi. A Associate Professor CSE, attended a two day webinar on Future generation computing and applications " organized by Govt college of engineering and ceramic technology Kolkata on 8th and 9th of Aug 2020.
- Ms. Ihsana Muhammed P attended one day online FDP on and Learning – An

“Teaching and Learning – An Online Approach” organized by Department of Electrical and Electronics Engineering in association with ISTE, Ahalia school of Engineering & Technology, Palakkad on 01st August 2020.

- Ms. Ihsana Muhammed P attended a webinar on “Introduction to AI, Machine Learning and Deep learning Concepts” organized by Department of Computer Science & Engineering, ICCS College of Engineering and Management, Thrissur on 01st August 2020.
- Ms. Ihsana Muhammed P attended a webinar on “Artificial Intelligence- State of the Art” organized by Department of Computer Science & Engineering, Sreenarayana Guru College of Engineering & Technology, Kannur on 01st August 2020.
- Ms. Ihsana Muhammed P attended a webinar on “Selenium with Java” organized by Department of Computer Science & Engineering in association with ACE, TKM Institute of Technology, Kollam on 01st August 2020.
- Ms. Ihsana Muhammed P attended a webinar on “Blockchain 2.0- a shift from Bitcoin to Real world applications” organized by Department of Computer Science & Engineering, Toc H Institute of Science & Technology , Ernakulam on 03rd August 2020.
- Ms. Ihsana Muhammed P attended a webinar on “Chronicles of Drone: From Then Until Now and Further Ahead” organized by Sreepathy Institute of Management & Technology , Vavanoor, as part of the webinar series Road to the Future on 05th August 2020.
- Ms. Ihsana Muhammed P attended a webinar on

“Support Vector Machine Some Introductory notes” organized by Department of Computer Science & Engineering, College of Engineering, Kidangoor on 05th August 2020.

- Ms. Ihsana Muhammed P attended a webinar on “Understanding Self” organized by Sreepathy Institute of Management & Technology, Vavanoor, as part of the webinar series Road to the Future on 09th August 2020.
- Ms. Ihsana Muhammed P attended a webinar on “Coping with Stress and Anxieties” organized by Sreepathy Institute of Management & Technology , Vavanoor, as part of the webinar series We for Women on 10th August 2020.
- Ms. Ihsana Muhammed P attended 5 day FDP on “Mathematics for Data Science” organized by Department of Basic Science and Humanities, Muthoot Institute of Technology & Science, Varikoli from 10th – 14th August 2020.
- Ms. Ihsana Muhammed P attended an International webinar on “Cyber security Risk and Challenges due to Covid 19” organized by Department of Computer Science & Engineering, Sreenarayana Guru College of Engineering & Technology, Kannur on 14th August 2020.
- Ms. Ihsana Muhammed P attended a webinar on “Machine Learning” organized by Department of Computer Applications in association with STARC, Lourdes Matha College of Science & Technology, Thiruvananthapuram on 20th August 2020.
- Ms. Ihsana Muhammed P attended a webinar on “Tips for Employability in Post Covid Era” organized by Sreepathy Institute of Management & Technology , Vavanoor, as part

of the webinar series Signature Talks on 29th August 2020.

- Ms. Meera V M, Assistant Professor CSE attended one day Faculty Development Program on “Teaching and Learning – An Online Approach” organized by the Department of Electrical and Electronics Engineering , Ahalia School of Engineering and Technology, Palakkad in association with the Indian Society for Technical Education (ISTE)– Ahalia Palakkad Chapter on August 01, 2020.
- Ms. Meera V M, Assistant Professor CSE attended Webinar on “Selenium with JAVA” conducted by Department of CSE. TKM Institute of Technology, Kollam in association with ACE(Association of Cyber Experts) on August 1st, 2020.
- Ms. Meera V M, Assistant Professor CSE attended Webinar on “Artificial Intelligence – State –of- Art” conducted by Department of CSE Sree Narayana Guru College of Engineering and Technology, Payyannur on August 1st, 2020.
- Ms. Meera V M, Assistant Professor CSE attended Webinar on “Blockchain 2.0- A shift from Bitcoin to real world application” conducted by Department of CSE , Toc-H Institute of Science and Technology, Arakkunnam on August 3rd , 2020.
- Ms. Meera V M, Assistant Professor CSE attended Webinar on “Support Vector Machines : Some introductory notes ” conducted by Department of CSE , College of Engineering, Kidangoor on 5th August 2020
- Ms Meera V M, Assistant Professor , CSE has participated in the Two Days FDP on “Introduction to Machine Learning using Python” conducted by Department of Electronics & Communication En-

Computer Science & Engineering, Adi Shankara Institute of Engineering and Technology on 30th July 2020 and 01st August 2020.

- Ms. Meera V M, Assistant Professor CSE has attended five day Faculty Development Program on “Mathematics for Data Science”, organised by Department of Basic Science and Humanities, Muthoot Institute of Technology and Science, Ernakulam from 10th- 14th August, 2020.
- Ms. Meera V M, Assistant Professor CSE attended Webinar on “Chronicles of Drone: From Then, Until Now and Further Ahead” conducted in the “Road To The Future” webinar series organized by Sreepathy Institute of Management & Technology - SIMAT, Vavanoor on on August 5th, 2020
- Ms. Meera V M, Assistant Professor CSE attended Webinar on “Introduction to AI Machine Learning and Deep Learning Concept” conducted by Department of CSE, ICCS College of Engineering and Management, in association with ACE (Association of Cyber Experts) on August 1st, 2020.
- Ms. Meera V M, Assistant Professor CSE attended AICTE Sponsored Six Days Short Term Training Programme on “Cyber Security, Cyber Forensics and Cyber Laws” conducted by Department of CSE, Hindustan Institute of Technology and Science during 3rd August 2020 to 8th August 2020.
- Ms. Meera V M attended a webinar on “Tips for Employability in Post Covid Era” organized by Sreepathy Institute of Management & Technology, Vavanoor, as part of the webinar series Signature Talks on 29th August 2020.
- Ms Hima K G, Assistant Professor, CSE has participated in the Two Days FDP on “Introduction to Machine Learning using Python” conducted by Department of Electronics & Communication Engineering and Computer Science & Engineering, Adi Shankara Institute of Engineering and Technology on 30th July 2020 and 01st August 2020.
- Ms. Hima K G, Assistant Professor CSE has attended five day Faculty Development Program on “Mathematics for Data Science”, organised by Department of Basic Science and Humanities, Muthoot Institute of Technology and Science, Ernakulam from 10th- 14th August, 2020
- Ms. Hima K G attended a webinar on “Selenium with Java” organized by Department of Computer Science & Engineering in association with ACE, TKM Institute of Technology, Kollam on 01st August 2020
- Mr.Vijesh K, Assistant Professor CSE, attended panel discussion on " National education policy 2020" organized by ISTE Kerala section on 22 august 2020.
- Mr.Vijesh K, Assistant Professor CSE, attended webinar on " MACHINE LEARNING" organized by department of Computer Application in association with STARC on 20th august 2020.
- Ms.Apsara Panicker, Assistant Professor CSE, attended panel discussion on " National education policy 2020" organized by ISTE Kerala section on 22 august 2020.
- Ms. Venitha Viswanathan, Assistant Professor CSE, attended panel discussion on " National education policy 2020" organized by ISTE Kerala section on 22 august 2020.
- Mrs. Venitha Viswanathan, Assistant Professor CSE, attended a Online FDP on “Introduction to machine learning using python” organized by Department of CSE, Adi Shankara Institute of Engineering and Technology, Ernakulam on 30 July and 1 August 2020.
- MS. Venitha Viswanathan, Assistant Professor CSE, attended a Online Short Term Training Programme on “Data analytics and machine learning” organized by Department of CSE, Amal Jyothi College of Engineering, Kottayam from 3 to 8 August 2020.
- Mrs. Venitha Viswanathan, Assistant Professor CSE, attended a webinar on “Networking and system administration” organized by Department of Computer Applications in association with STARC, Lourdes Matha College of Science and Technology, Thiruvananthapuram on 14 August 2020
- Mrs. Venitha Viswanathan, Assistant Professor CSE, attended a Online Short Term Training Programme on “Data analytics and machine learning tools – Phase II ” organized by Department of CSE, Amal Jyothi College of Engineering, Kottayam from 17 to 22 August 2020.
- Ms.Bhavya K Bharathan, Assistant Professor CSE, attended a national webinar on "Data science:an introduction,scope and opportunities" organized by Department of Mathematics, MES Kalladi College, Manarkkad on 27th August 2020.
- .Bhavya K Bharathan, Assistant Professor CSE, attended a 6 Days Online Short Term Training Programme on "Data analytics and machine learning tools-phase II" organized by Department of CSE, Amal Jyothi College of Engineering

- Bhavya K Bharathan, Assistant Professor CSE, participated in the panel discussion on "National education policy 2020" organized by ISTE Kerala Section on 22nd August 2020.
- Bhavya K Bharathan, Assistant Professor CSE, attended a webinar on "Machine learning" organized by Department of Computer Applications in association with STARC on 20th August 2020.
- Ms. Bhavya K Bharathan, Assistant Professor CSE, attended a 6 Days Online Short Term Training Programme on "Data analytics and machine learning" organized by Department of CSE, Amal Jyothi College of Engineering from 3-8th August 2020.
- Dr. Sreeraj.R, Professor & Director, CSE, attended 6 Days AICTE sponsored STTP on "Deep Learning Applications and Challenges in Big Data Analytics" organized by Vellalar College of Engineering and Technology from 17-22 August 2020.
- Ms. Bhavya K Bharathan, Assistant Professor CSE attended 5 day online AICTE ATAL Academy sponsored FDP on "Medical image processing and Deep learning Technologies" organized by Department of ECE Panimalar Institute of Technology, Chennai on 21st September to 25th September 2020
- Ms. Bhavya K Bharathan, Assistant Professor CSE, attended a webinar on 'Engineering education in the wake of pandemic - a few thoughts' organized by ISTE Royal CET and Department of ECE, Thrissur on 15th September 2020.
- Ms. Bhavya K Bharathan, Assistant Professor CSE, attended a national level conference NCET 2020 organized by Royal CET, Thrissur on 26th

September 2020.

- Mrs. Venitha Viswanathan, Assistant Professor CSE, attended webinar on "Engineering education in the wake of pandemic - a few thoughts" organized by ISTE Royal CET Unit on 15th September 2020.
- Ms. Bhavya K Bharathan, Ms. Meera V M, Ms. Ihsana Muhammed P, Assistant Professors of CSE, attended a webinar on "Ethical Hacking and Digital Forensics" organized by the CSE department in Association with (VOICE) inauguration of Royal College of Engineering and Technology, Thrissur, held 28th October 2020.
- Ms. Meera V M, Assistant Professor, CSE participated in AICTE Training and Learning (ATAL) Academy online FDP on "Block Chain" from 2/11/2020 to 6/11/2020 at LBS College of Engineering Kasargod.
- Ms. Meera V M, Assistant Professor, CSE has participated in National Seminar on "Cyber Security and Machine Intelligence" organised by department of IT, Viswajyothi College of Engineering and Technology, Ernakulam on 30/11/2020 and 1/12/2020.

Student Activities and achievements

- Fahima K A of S5 CSE B attended a program on "ANDROID APP DEVELOPMENT", session led by Mr. Kiran, NSS Royal CET Unit on 16th November 2020.
- Sruthi M S of S5 CSE B attended 4 days "National STTP" on digital marketing session led by finishing School, skill training park Kollam on November 2 to 5, 2020.
- Mr. Muhammed Ansil P, student (S5, CSE) selected as the best

performer in national STTP on Digital Marketing

- Ms. Navya Das of S3 CSE got first prize for 'Madhram Malayalam Competition' organised by National Service Scheme, APJ Abdul Kalam Technological University.

- Harshila.M of S5 CSE A has attended a webinar on "Robotics & automation" by engineer Anish narayanan (En products pvt limited cochin) organized by Alumni association Dept of electronics & Electronics of Royal college of engineering and technology on 17th October 2020.
- Kavya Suresh of S5 CSE attended a webinar on "Ethical Hacking and Digital Forensics" organized by the CSE department in Association with (VOICE) inauguration of Royal College of Engineering and Technology, Thrissur, held 28th October 2020.
- Husna Hussain of S5 CSE A has attended a webinar on "Robotics & automation" by engineer Anish narayanan (En products pvt limited cochin) organized by Alumni association Dept of electron-

of Royal college of engineering and technology on 17th october 2020.

- Mary C Wilson of S5 CSE attended a webinar on "AI& Robotics" organized by the Royal College of engineering and technology, Thrissur, held 17th October 2020.
- Fahima K A of S5 CSE A has attended a webinar on "Robotics&automation" by engineer Anish narayanan(En products pvt limited cochin) organized by Alumni association Dept of electronics & Electronics of Royal college of engineering and technology on 17th october 2020.
- Husna A A of S5 CSE A has attended a webinar on "Robotics&automation" by engineer Anish narayanan(En products pvt limited cochin) organized by Alumni association Dept of electronics & Electronics of Royal college of engineering and technology on 17th october 2020.
- Namya Musthafa, student MTech CSE (2018-20) of RCET get her ebook of "Block chain Technology and Applications" accepted via the publisher CRC press. Other contributors are from the RCET CSE Alumni (Sreenarayanan, 2009-13, Arjun, 2013-15, Manu M R, 2006-10).

- Abhilash Radhakrishnan got first prize for "Troll Onam" competition conducted as a part of RCET "Veetilimnonam" Onam program. C of S4 CSE won 2nd prize in Mimicry for

Dhanak 2020, Virtual Arts Fest.

- Abhilash Radhakrishnan of S5 CSE A has passed in the Quiz Contest with 93% marks conducted as the part of "Independence Day" by - NSS Royal CET Unit on 15th August 2020.
- Abhilash Radhakrishna pillai, Abhishek of S5 CSE A passed a Quiz competition conducted by little flower college.
- Mirwa P A of S5 CSE A has participated in the online quiz competition based on life of Gandhi, organized by NSS units of TKM college of Engineering, under the auspices of NSS cell of APJ Abdul Kalam Technological University in connection with 150th Birth Anniversary celebration of Mahatma Gandhi.
- Mr. Muhammad Aslif P of S6 CSE won 3rd prize in the solo dance competition conducted as a part of Virtual Arts Fest - Dhanak 2020.
- Ms. Kavya Suresh of S4 CSE won 2nd prize in Kuchipudi for Dhanak 2020, Virtual Arts Fest.
- Ms. Megha C of S4 CSE won 2nd prize in Mimicry for Dhanak 2020, Virtual Arts Fest.
- Abhilash Radhakrishna pillai of S5 CSE A attended a competition on, "Web designing" conducted by Vimala college
- Abhishek Dinesh done an online certification course on "Communication Skills" offered by TCS iON.
- Mubin Abdul Kader of S5 CSE A attended an online specialization including 5 courses on, "Python for everybody specialization" authorized by University of Michigan and offered through Coursera.
- Mirwa P A of S5 CSE A un-

dergone online training in "Professional Java Programming" as a part of KTU-NGO INTERNSHIP

- Arya Somasundaran of S3 CSE attended webinars on "Volunteerism" by Prof. R Krishnakumar on 27 August 2020.
- Gayathri Krishna of S3 CSE attended webinars on "Volunteerism" by Prof. R Krishnakumar on 27 August 2020
- Sheshshi PS of S3 CSE attended webinars on "Volunteerism" by Prof. R Krishnakumar on 27 August 2020 and "How NSS Nurture Your Personality and Generate Orientation on 10 August 2020",
- Suneethi tp of S3 CSE attended webinars on, "Finding your real face" conducted by NSS unit of RCET on 26th August 2020 and Chit chat conducted by NSS unit of RCET on 30th August 2020
- Akshaya P M of S3 CSE attended webinars on, "Volunteerism" by prof. R Krishnakumar on 27 August 2020, "How NSS Nurture Your Personality and Generate Orientation on 10 August 2020", "Role of Youth in Pandemics" by Sri. P B Nooh IAS on 22 August 2020, "Be the change you wish to see in the world-Mahatma Gandhi" on 12 August 2020, "chit chat with vijesh vijayan" on 30 August 2020, "Finding your real face" on 26 August 2020, and secured 93% on a quiz competition conducted as a part of independence day on August 15.
- Mohammed Aslam Ashraf PA of S3 CSE attended a webinar on, "volunteersim" prof. K. Krishnakumar, conducted by NSS Unit 143 Royal CET in association with RCET on 27th August 2020.

- Navya Das of S3 CSE attended webinars on , "Volunteerism" by prof.R Krishnakumar on 27 August 2020, "How NSS Nurture Your Personality and Generate Orientation on 10 August 2020", "Role of Youth in Pandemics" by Sri. P B Nooh IAS on 22 August 2020, "Be the change you wish to see in the world-Mahatma Gandhi" on 12 August 2020, "chit chat with vijesh vijayan" on 30 August 2020, "Finding your real face" on 26 August 2020.
- Arya Anandan of S3 CSE attended webinars on , " Finding your real face " conducted by NSS UNIT OF RCET on 26th August 2020 , chit chat conducted by NSS unit of RCET on 27th August 2020 , be the change you wish to see the world conducted by NSS unit of RCET on 12th August 2020 ,how nss nurture your personality and generate orientation conducted by NSS unit of RCET on 10th August 2020.

RCET HALF YEARLY NEWSLETTER

VISION

“To continuously grow as a Resourceful, Outstanding, Youthful, Adaptive Institution in the field of Engineering and Technology habituating Lifelong learning”.

MISSION

“To groom the youth into eminent technocrats- with lifelong learning skills to meet future requirements, deep sense of social responsibility, strong ethical values and a global outlook, to face the challenges of the changing world”

QUALITY POLICY- (2015)

We at RCET are committed to provide and continually improve quality service in the field of technical education for the overall development of the students and for transforming the institution as a centre of excellence. This we achieve by providing state of the art facilities for keeping the students abreast with the developments in the field of engineering, by faculty up gradation, by providing opportunities for extracurricular development and by giving placement assistance.

TECHNO YANTRA 2020

IEDC-RCET organized Technical workshops as a part of the “Techno-Yatra” 2020 workshop series. Plus two students from various schools attended the sessions. Workshop 1 - “Web Development” on 03-02-2020. Workshop 2 - “Programming in C++” on 05-02-2020. Workshop 3 - “MySQL Database Training” on 07-02-2020

COMPUTER SCIENCE AND ENGINEERING

VISION

- To grow as a globally premier department of Computer Science and Engineering capable of facing challenges of the fast pace of changes in modern Computing industry for the betterment of Society through most appropriate and Ethical practices.*

MISSION

- To impart high quality education to students with strong foundation of Computer Science and Engineering through Outcome Based Learning (OBE).*
- To empower the students with the required skills to solve the complex technological problems of modern society and to conduct multidisciplinary research for developing innovative solutions.*
- To provide a learning ambience to enhance innovative, problem solving skills, leadership qualities, team spirits and ethical responsibilities with a commitment to lifelong learning.*
- Establish industry institute interaction program to enhance the entrepreneurship skills.*

FROM THE DESK OF

PRINCIPAL

I am so happy to observe the sincere effort by the team behind our Half yearly Newsletter to present the entire activities of each department during the half year in printed form before staff and students of RCET.2022 for RCET is so crucial, as we have great expectations to bring up our institution to a better ranking among KTU colleges and also as we are aspiring for recognition of our institution through colorful achievements of students in various fields.Hoping for the very best in coming days .

CEO

Our institution is committed to provide a stimulating environment for intellectual development by providing dynamic learning opportunities and equipping them with the additional skills, insights, attitudes and practical experiences for free thinking and personal growth that are necessary for the students to take up responsibilities in the society.I believe that this newsletter will serve as a window through which the complete profile of the academic and co-curricular activities, achievements and progress made during the stipulated period can be viewed.

Best wishes for the success and bright future of RCET.....
