

JULY TO DECEMBER 2022

THE NEW ROYAL TIMES

RCET HALF
YEARLY
NEWSLETTER

FROM THE DESK OF

PRINCIPAL

It gives me immense pleasure to see that the Newsletter for the period, July to December 2022, is ready for circulation. I appreciate the entire Team of editorial board for their continuous and sustained efforts, to depict the journey of strivings and accomplishments of faculty members and staff members of Royal College of Engineering and Technology (RCET). We are aware that education is not a process of sharing knowledge for a future job but is a lifelong process which enriches the minds, and provides varied experiences that will follow us during our entire life time. RCET is a dynamic platform for all to explore and transform themselves to fulfill their dreams. The Alumni members who are there in different parts of our world can speak about this. This newsletter is a truthful and pleasant record of efforts and achievements by our competent faculty members and students . I congratulate the entire editorial team for designing the newsletter in such an excellent way. Best wishes to All.

Principal Dr. Devi V gave inspiration to all participants and congratulated everyone.

Idea Pitch contest

IEDC RCET conducted an Idea Pitch contest for S3,S5&S7 students on 6th December 2022. The program was conducted at SDPK lab. 26 students from various departments were participated in the contest and presented their ideas. 10 ideas were presented in the session. The judging panel included Dr. Ajmal T. S.(HOD, ME),Mr. Dinto Thomas(IEDC nodal officer). They gave suggestions to students to move forward with their ideas. The session started at 2.00 pm .The session was very informative and the students were properly guided by the suggestions from the judges.

Placement Activities

**The training and placement cell conducted a placement drive in association with CSB bank. Eight students of RCET got placed in the drive.*

**Students placed recently from RCET in different companies are as follows:*

Placement Activities

**The following students have got placed in UP2TECH IT and Web Solutions, Placement drive conducted at our College Campus. The drive was conducted on 1st October 2022.*

1. Aliya E
2. Hasna Ali
3. Shirin Shahana
4. Harshila M
5. Nidhish

**Tenzotech, kochi conducted a placement drive at RCET. The Placement drive was organized by the Training and Placement Cell and took place at RCET Campus on 07.01.2023. The students were recruited for the post of Process Associate. 18 students from CSE department and 10 students for ECE department got placed.*

ELECTRONICS AND COMMUNICATION ENGINEERING

VISION

To impart excellent technical education for developing ethically sound and globally competent Electronics and Communication Engineers.

MISSION

- To impart extensive knowledge in principles and applications related to design and development of various electronic systems for societal needs.*
- To instill creative thinking through innovative and team based methods which develops the entrepreneur skills, employability and research capability among the graduates.*
- To build the rudiments and skill sets to improve the core competence of students in the field of Electronics and Communication Engineering.*
- To inculcate in the graduates, the thirst for life-long learning and guide graduates to gain expertise in their chosen interdisciplinary field.*

Faculty Achievements

ISTE RCET in association with ECE conducted hands on workshop on LaTeX on 4th July 2022. All students of S6 ECE participated the workshop and studied how to prepare a project report using LaTeX. The workshop on LaTeX was conducted by Mrs. Najiya Abdulrahiman and Mrs. Sreedevi K.

Mr. Krishnakumar R, HOD/ECE has enrolled for Ph.D (Electronics and Communication) program at Karunya Institute of Technology and Science, Coimbatore.

Mr. Krishnakumar R, HOD/ECE completed 17 years at RCET and Mrs. Radhika E R, AP/ECE completed 16 year at RCET. Appreciations for good results in KTU Examinations to Jomon Charly, Shefina Asharaf and Savitha V.

Student Activities and Achievements

Ms. Sreeshma J and Ms. Princy M T got Placed in CSB Campus drive held at RCET

*Rank list of S8 University result (2018-22 Batch) Overall Pass percentage: 68.42%

*Rank list of S5 University result (2019-22 Batch) , Overall Pass percentage: 68.75%

Department Activities

On 17 th September during Afternoon session ECE Department hosted the presentation session of ECE papers in ICET'2022. The External session Chair for the conference was Dr. Arul V H. (Assistant Professor ECE Department, Thejus Engineering college). The internal session chairs were Mr, Krishnakumar R (HOD, ECE Department, RCET Akkikavu) and Ms. Radhika E R. (AP, ECE Department, RCET Akkikavu).

*Total ten papers were submitted into the conference from Various colleges across kerala . Out of which seven papers were successfully presented in ECE Presentation. Total Thirty three participants joined in Online meeting. The Online meeting Platform used was Google Meet.

The Paper presented by Mr. Suresh P. Titled "Smart City IoT Solar Street light System Using LoRaWAN" is selected as Best Paper from ECE Department.

*Department of Electronics and Communication Engineering of RCET in association with IEEE SB RCET conducted a program "IGNITE" 2k22-23" on 18 th October 2022 for the first year students of RCET . Mrs. SHEFINA ASHRAF, AP/ECE handled the session.

*Department of Electronics & Communication Engineering of RCET conducted a talk on "Career options after B.Tech" on 10 th November 2022 for the S7 students of ECE Department. Mr. Prasanth S, Senior Faculty, Xylem Pvt.Ltd handled the session. IQAC & ISTE Chapter (KE-46) RCET jointly organised 5 day Faculty Development Induction. Programme- "ROYAL QUALITY ENRICHMENT DRIVE" from 7 th November 2022 to 11 th November 2022. The program was co-ordinated by Ms. Najiya Abdulrahiman (ISTE, TLC convener, FDP Co ordinator AP/ECE).

VISION

To grow as a reputed centre of excellence with best facilities for learning and research, producing outstanding Civil Engineers

MISSION

- To develop highly competent professionals, capable of excelling in challenging positions in civil engineering, lifelong learning, and societal leadership.*
- To promote and undertake research, relevant to civil engineering industry and to strengthen relationship with all stake holders for holistic development of mankind.*
