Webinar on "KNOWLEDGE ABOUT NSS"

The NSS unit 143 of RCET organized a webinar on 03-10-2021 titled "KNOWLEDGE ABOUT NSS" at 7:00 PM by using goggle meet platform. The webinar was blessed with the participation of 86 volunteers. The key speaker of the webinar was Muhammed Aksath Rahil, Arise Tutor and EX VS, NSS CEA. Our speaker emphasized on NSS activities and working of NSS unit. He also explained in detail why the NSS was started, its significance and why NSS is important among students. It was an interactive session. The ceremony lasted till 8:30 and the participants are awarded with E certificate. The webinar was very informative and he also bestowed his appreciation to the NSS unit of ROYAL COLLEGE OF ENGINEERING AND TECHNOLOGY.

Adventures trip' kayaking'

The NSS unit 143 of RCET had conducted a healing sec for the volunteers on Oct 4. We conducted an adventures trip of kayaking at chavakkad with 29 volunteers. Our unit had planned to go to the kayaking for giving a different experience to the volunteers and make them feel the beauty of nature. They received the training section from Mr.Ameer nalumanilkattu. The volunteers had actively participated and made a beautiful memory there. We had prepared the refreshments for the volunteers. Thanks to the dignities of naalumanikkattu and our volunteers the programme was utterly successful one.

First Aid Training

A training program in First Aid was conducted by NSS unit of RCET. A count of 70 volunteers had taken part in the seminar which was scheduled on 17th November 2021 between 2 PM and 4 PM at seminar hall. We had short lectures and practical sessions. We were told about the value of First Aid and how it should be given in different situations. We were told the kind of First Aid that could be given in case of heart attack, electric shock, burns, fractures, snake bites etc. It was an informative session. At the end of the program, each participants felt themselves better equipped to help people suffering from an accident or a sudden illness.

EDUCATION ON AIDS AWARENESS

The NSS Unit 143 of RCET had conducted a seminar session on topic ' Education on AIDS awareness 'on Dec 2 as a part of AIDS day. As to spread the awareness and prevention of aids, Dr. Sherin S John, Junior Resident, Immunohematology and Blood Transfusion Jubilee Mission Medical College, Thrissur had conducted a informative session and following it Miss.Jebun had shared her experience as a counsiler of ICTC for over 7 years. The session become more informable and interesting by clearing the misunderstandings and doubts about AIDS. The session was a successful one because of the active participation of almost 100 volunteers. The session had come to an end with the beautiful thought "Today might be harder, Tomorrow might be wiser but a day will rise for you to shine"

"NAKSHATHRAVANAM" PROJECT

The NSS unit 143 of RCET had laid the stepping stone to our dream project "NAKSHATHRAVANAM" on 15th January 2022. "NAKSHATHRAVANAM" consists of 27 trees to 27 Nakshatras of Indian Astrology. Considering the diversity of plants involved, their medical value and association with Nakshatras, many organisations are popularizing the creation of Nakshatravanam. Our volunteer were behind the preparation of land for the project in our campus since a few days. On 15th January we planted a sum of 21 plants. The inauguration of the project was officially done by Mr Chandrakanth James, Assi professor, Dept. of Civil Engineering by planting first plant to our "NAKSHATHRAVANAM". With the sincere effort and determination of our volunteer our plants are placed for our dream forest.

Sub: about campaign on "water conservation"

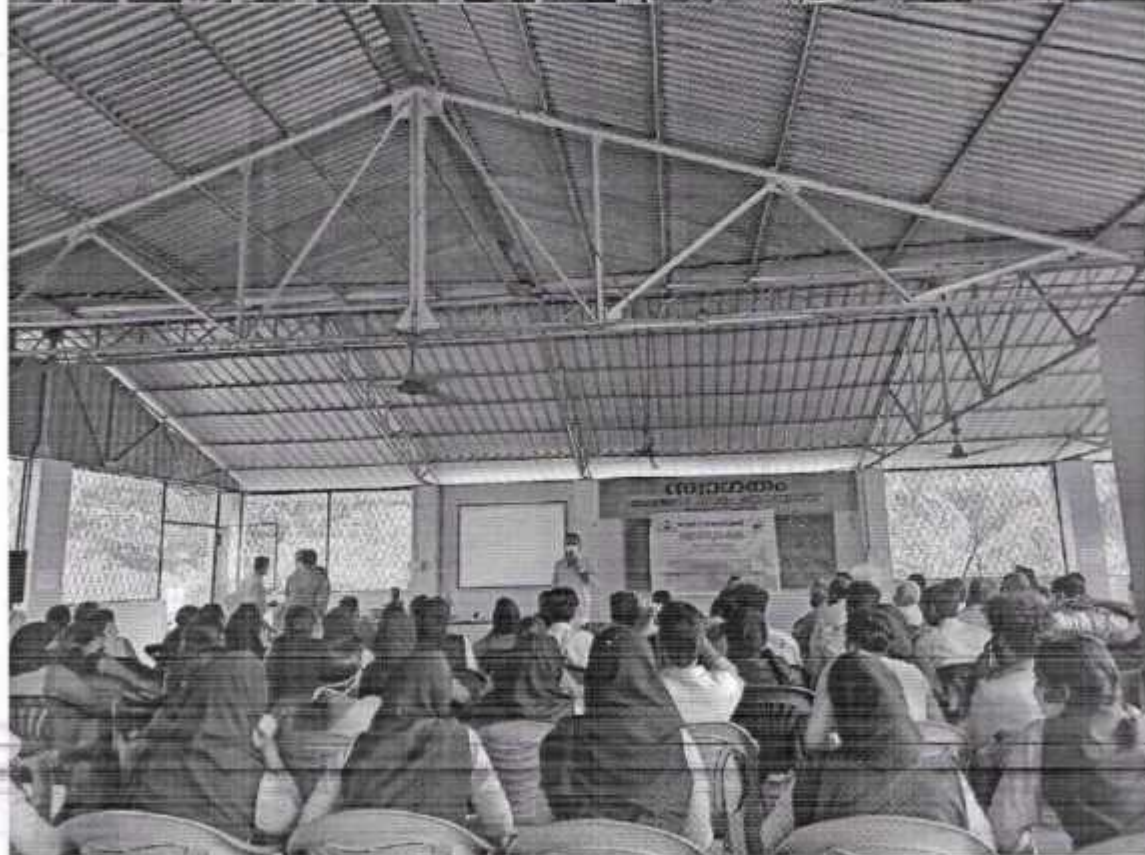

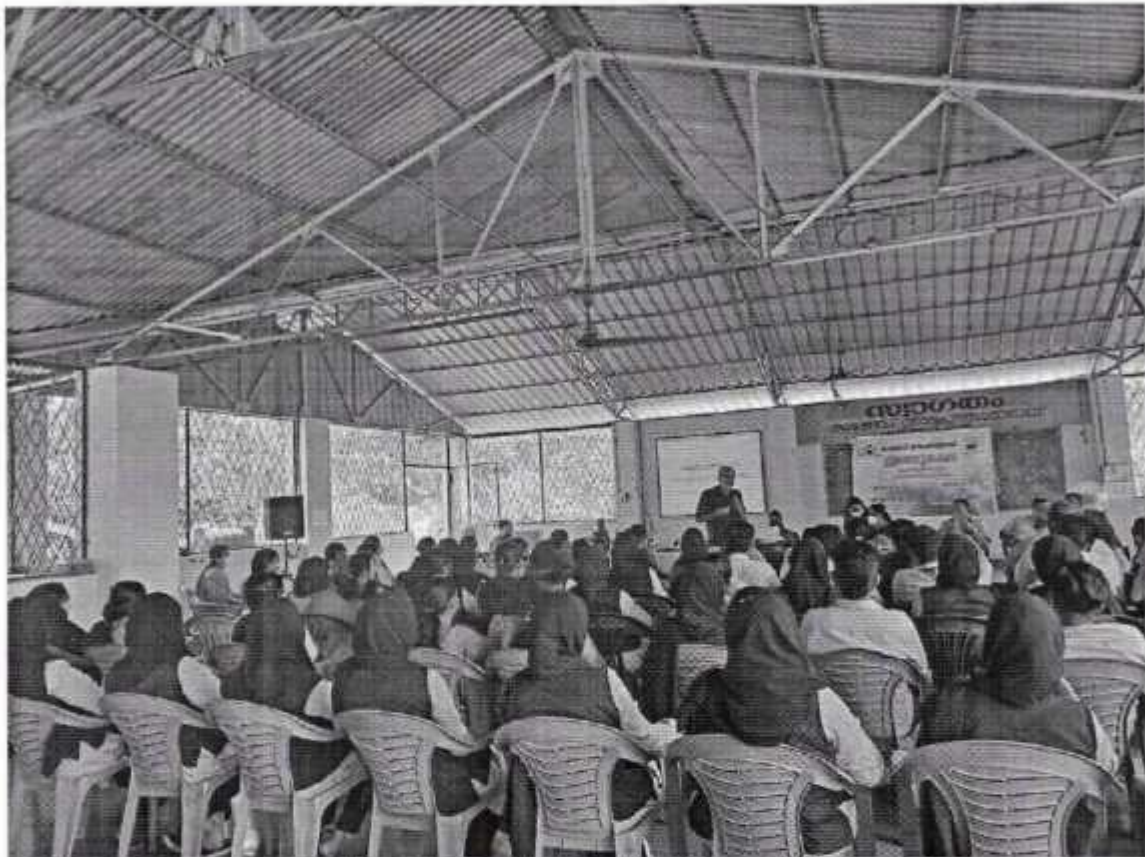

RCET's NSS Unit 143 went to Kadangode Grama Panchayat to attend an event "jalasuraksha" on 17th February 2022.

The event was inaugurated by Jaleel Adhoor, Trissur district panchayath member and it was presided over by Meena Sajan, president of kadangode Grama panchayath.

The purpose behind the event was to raise awareness regarding water conservation.

Besides, importance of rain water harvesting and the method to do it was also explained. They were encouraged to improve water management practices that reduce the wastage of water and enhance the beneficial uses of water. They appealed to all the volunteers present not to waste too much water and to try to save every drop of water.

Report On Mehandi Competition by Womens Club RCET

DEPARTMENT OF CIVIL ENGINEERING

REPORT ON "TRAINING CLASS ON WATER QUALITY ANALYSIS"

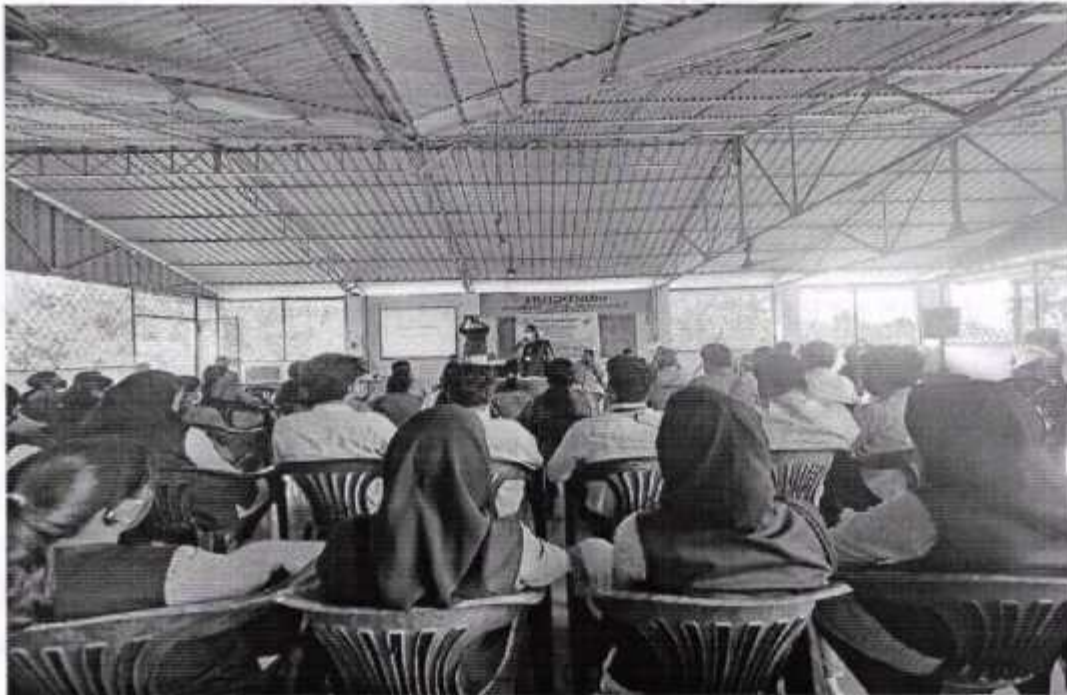

A training class was conducted by Kadangode gramapanchayath in association with Kerala Institute of Local Administration (KILA) on 17-02-2022 at the Panchayath community hall for the local people and engineering students with in the area of Grama Panchayath at 2 PM. There were 36 students from the Civil Engineering department of Royal College of Engineering & Technology as participants in the programme. Out of 36 students, 9 students were from third year and 27 students were from second year. Along with the students, Assistant professors from the department Mr. Sabith K, Ms. Rinu Sara Cherian and Ms. Pavithra A S also participated in the programme. The presence of the staffs helped to strictly monitor the students and also for the smooth conduct of the programme. The students and staff were transported at 1:40 PM from the college in the college bus and reached the Panchayath community hall at 2:00 PM.

Transport from the college to Panchayath community hall at 1:40 PM

The programme was started at 2:00 PM. The presidential address was given by Smt. Meena Sajan, President of Kadangode GramaPanchayath. The programme was inaugurated by Sri Jaleel aroor, District Panchayath convenor.

Smt. Meena Sajan giving the presidential address

Inauguration of the programme by Sri Jaleel

Thereafter, the class on water quality analysis was given by Mr. Manu, member of Kerala Institute of Local Administration (KILA). He discussed about the various factors to be considered during the water quality analysis. The physical, chemical and biological characteristics of water was explained by him. Location of ground water table, water resources, population of the area, rainfall intensity, weather conditions etc. are the important factors which largely affect the quality of water. The per capita use of water is very high today and hence performing water quality analysis is highly essential as per current situation. The class was proceeded as a power point presentation. Through different slides, the class could be conducted in an interesting way. At the end of the session, students were given opportunity to clear their doubts.

Class given by KILA member through presentation slides

The programme was concluded at 3:45 PM. Students and Staff returned to the college by college bus at 4:00 PM. The programme was highly beneficial to the students. Students got a clear idea about the various procedures to be followed for analysing water samples and arriving at conclusions. Excellent feedback was received from the students about the programme.

Students returning to the college after the end of the programme at 3:45 PM

ESSAY WRITING COMPETITION

The NSS unit of RCET 143 had conducted an essay writing competition in joining hands with NDLI-QUESTA club of RCET. The competition was held on Jan 26th as the part of India's 75th republic day celebration. The active participation of students makes the programme successful one and the coordinators of the programme are overwhelmed as they get to know the knowledge of students about the republic. The prize of the winners had distributed by the coordinator.

Thank you

Sub: webinar on "Orphanage visit"

The NSS unit 143 of RCET organized an orphanage visit to "Thanal" on 12th February 2022. Our volunteers reached the orphanage by 10 .00 AM. It was visited by volunteers, NSS programme coordinator and college staff. Our NSS volunteers and the children conducted various events. Our NSS unit distributed food for the old ages. This was a beautiful program initiative by our volunteers.

MERIMATHA CONVENT

On the remarkable day of republic day NSS UNIT-143 of RCET conducted a programme. That was conducted on 26 January 2022 in marymatha convent in Akkikkavu. Our volunteer went there and served the children with sweets and cake. They were so happy and our volunteers were also happy. They spend so many time with the children. The volunteers reached the convent at 9:00am. And this was success due to the support of the young volunteers. The performance and cooperation of our volunteers are equally appreciable in both events.

SUB: “NAKSHATHRAVANAM” PROJECT

The NSS unit 143 of RCET had laid the stepping stone to our dream project “NAKSHATHRAVANAM” on 15th January 2022. “NAKSHATHRAVANAM” consists of 27 trees to 27 Nakshatras of Indian Astrology. Considering the diversity of plants involved, their medical value and association with Nakshatras, many organisations are popularizing the creation of Nakshatravanam.

Our volunteer were behind the preparation of land for the project in our campus since a few days. On 15th January we planted a sum of 21 plants. The inauguration of the project was officially done by Mr Chandrakanth James, Assi professor, Dept. of Civil Engineering by planting first plant to our “NAKSHATHRAVANAM”. With the sincere effort and determination of our volunteer our plants are placed for our dream forest.

Thank you.

Sub: EDUCATION ON AIDS AWARENESS

The nss unit 143 of RCET had conducted a seminar session on topic ' Education on AIDS awareness 'on Dec 2 as a part of AIDS day.

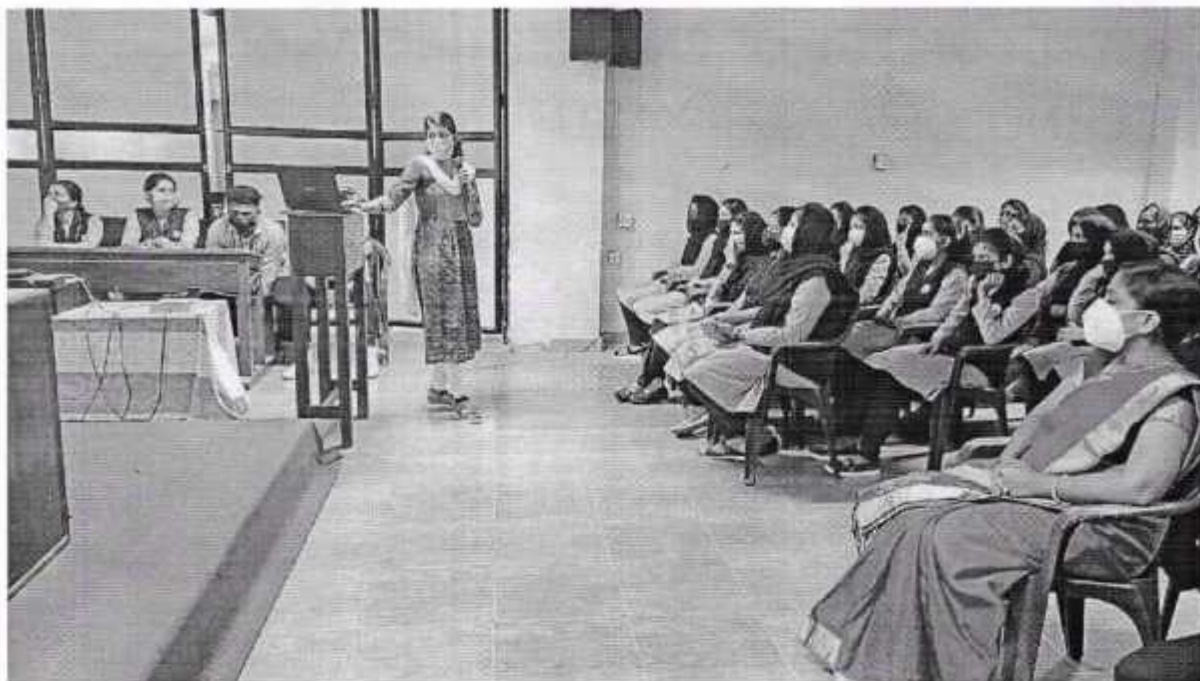

As to spread the awareness and prevention of aids, Dr. Sherin S John, Junior Resident, Immunohematology and Blood Transfusion

Jubilee Mission Medical College, Thrissur had conducted a informative session and following it Miss.Jebun had shared her experience as a counsiler of ICTC for over 7 years. The session become more informable and interesting by clearing the misunderstandings and doubts about AIDS. The session was a successful one because of the active participation of almost 100 volunteers.

The session had come to an end with the beautiful thought

" Today might be harder, Tomorrow might be wiser but a day will rise for you to shine"
