Electronics And Communications Engineering	Digital Systems	Digital Ic Tester Universal Ic Tester Digital Ic Trainer Kit Fixed Dc Power Supply +/- 15v Fixe	Jan-47
Electrical And Electronics Engineering	Electrical Machines Lab	Auto Transformer Transformer With Tappings, Autotransformer (Servo Need) Wattmeter Rectifier	Jan-47
Electrical And Electronics Engineering	Electrical Engineering	Ammeter Voltmeter Wattmeter Power Factor Meter Transformer Au	Jan-47
Electrical And Electronics Engineering	Electrical Workshop	Circuit Breaker, Starter, Multimeter, Neon Lamp, Electrical Drill, Tester	Jan-48
Electronics And Communications Engineering	Electronic Circuits	Function Generator(2MHZ) Cathode Ray Oscilloscope (20 Mhz) Regulated DC Power Supply 30V/2A(Dua	Jan-47
Civil Engineering	Environmental Engineering Lab	Hot Air Oven, Conductivity Meter, Bod Incubator, Air Compressor, Jar Testing Apparatus, Muffle Furna	Jan-47
Mechanical Engineering	Fitting Workshop	Heavy Duty Cutting Machine, Punch, Stake, File, Bi Sheet Cutter	Jan-48
Civil Engineering	Fluid Mechanics Lab	Orifices, Notches, Hydraulic Flume, Pipe Friction , Metacentric Height apparatus, Centrifugal Pump	Jan-48

Civil Engineering	Geotech Lab	Ucc Apparatus, Direct Shear Apparatus, Vane Shear Apparatus, Cbr Test Apparatus, Motorised Sieve Sha	Jan-47
Electronics & Communication Engg	Industrial Instrumentation	Viscometer, Stroboscope Trainer, Dead Weight Pressure Gauge, CRO, Power Supply	Jan-47
Computer Science And Engineering	Language Lab	WIPRO Computer Sys., Laserjet Printer, UPS 20KVA, Networking Components	Jan-47
Civil Engineering	Material Testing Lab 1	Impact TEST, Lechatelier Mould, Sieve, Vicat's Apparatus, Compression Testing - Impact Testing - Spr	Jan-47
Mechanical Engineering	Mechanical Engineering Lab	Gyroscope, Whirling Of Shaft, Universal Governor Apparatus, Free And Forced Vibration Analysis, 3-D Prin	Jan-48
Electronics And Communications Engineering	Microprocessor & Microcontrolle Lab	Computer Systems, UPS With Batteries, Isolation Transformer, Network Switch, Modem,	Jan-47
Computer Science And Engineering	Net Lab	HCL Computer Sys., Zenicorn Computer Sys., UPS 6KVA, Deskjet Printer	Jan-47
First Year/Other	Physics Lab	Spectrometer, Newton's Ring Apparatus, Sodium Vapour Lamp, Mercury Vapour Lamp, Travelling Microscopoe	Jan-47
Applied Electronics And Instrumentation Engineering	Process Control & Instrumentation	PLC, SCADA, Temperature Control-Flow Control-Liquid Level Control-Pressure Control Trainer	Jan-47
Mechanical Engineering	Production Lab	Centrel Lathe, Milling Machine, Grinding Machine, Drilling Machine	Jan-48
Computer Science And Engineering	Programming Lab	WIPRO Computer Sys., Laserjet Printer, UPS 20KVA, Networking Components	Jan-47
Computer Science And Engineering	Project Lab	HCL Computer Sys., WIPRO Computer Sys., UPS 6KVA	Jan-47
Mechanical Engineering	Project Lab 2	Computers	Jan-47
Computer Science And Engineering	Research Lab	Computers	Jan-47
Civil Engineering	Survey Lab	Levelling Staff, Measuring Tape, Prismatic Compass, Theodolite, Dumpy Level, Place Table	Jan-48
Mechanical Engineering	Welding Workshop	Welding Machine, Welding Arc, Shield, Fillers	Jan-48

15.2 REPORT ON THE ROYAL ARTS FEST- 'DHANAK 2K25'

The much anticipated Arts fest 'DHANAK 2K25' was conducted at Royal College of Engineering and Technology on 13rd & 14th FEBRUARY, 2025 showcasing an array of artistic and cultural talents. Mrs. Asheera L, AP/AS&H was the staff coordinator and Mr.Nihal, S8AD was the student coordinator. It was remarkable with the effective participation of students in various offstage and onstage events.

The festival was organized in two phases: offstage events from February 4 to February 12, 2025, followed by onstage events on February 13 and 14. The offstage events provided a platform for students to exhibit their literary and creative skills. Offstage competitions were held in diverse categories such as: writings, debate, embroidery, elocution, collage, poster making, paintings etc. These events witnessed enthusiastic participation from students, showcasing their diverse talents and creativity.

The onstage events were started on 13/02/2025 at 9.15am. The onstage events were the highlight of Dhanak 2K25, featuring energetic performances and electrifying competition. The programs were conducted simultaneously on two different stages. They were stage 1 (Near Canteen) and stage 2 (Courtyard). The onstage events were started with various performances like Step and Synchro, Duffmuttu, Bharathanatyam, Mohiniyattam, Vattappattu, Oppana, Light Music, etc on the first day. The students showcased a thrilling performance in all these events. The programs of first day ended at 4.30 pm. There was no time lag from the side of student participants.

The programs of second day started on 14/02/2025 at 9.15 am with Adapt Tune. Groupdance, Kolkkali, Mappilapattu, Group song, Nostalgia, Mime etc were some of the events of the second day. The participants showed amazing performance in all the programs. On second day the events were ended at 4.00 pm.

The audience was treated to a mesmerizing display of talent, with participants competing for top honours. The festival concluded with a grand closing ceremony on February 14, 2025. The winners of various events were honoured with certificates and trophies. The Department of Artificial intelligence & Data Science bagged the first position with 298 points. The Department of Computer science came in the second position with 276 points and the Department of Mechanical engineering came in the third position with 88 points

‘DHANAK 2K25’ was a resounding success, fostering artistic expression and cultural exchange among students. The festival not only provided a platform for talent but also strengthened teamwork among participants. The organizing committee, faculty and students played a crucial role in making the event memorable. With this, ‘DHANAK 2K25’ came to an end, leaving behind unforgettable moments and setting the stage for an even grander celebration next year.

WHEREAS

Adani Cement in order to affirm its commitment to create a living bridge between classrooms and industry, nurturing futures, and to contribute meaningfully to nation-building through sustainable infrastructure and leadership development has launched its Adani Cement FutureX initiative.

The Partner Institute has approached Adani Cement for joining the Adani Cement FutureX initiative for developing its students as India's next generation of leaders and innovators.

Under this Initiative, Adani Cement will provide resources, technical support, and mentorship as outlined in the FutureX program. The Partner Institution will actively participate in FutureX activities and uphold the spirit of innovation and collaboration.

Both parties will jointly celebrate and promote the partnership through mutually agreed events and campaigns.

Both the Parties have agreed to execute this Agreement to record their understanding.

NOW THEREFORE, in consideration of the mutual covenants and agreements herein contained and for other good and valuable consideration, the sufficiency and adequacy of which is hereby acknowledged, the Parties hereby agree as follows:

1. Partnership Recognitions

By joining Adani Cement FutureX, The Partner Institution and its students shall have the privilege to:

- Recognition as a member in what aspires to be the largest academia–industry think-tank in building materials and sustainable infrastructure.
- Entitlement to unique experiences and priority access to internships, leadership events, and collaborative R&D opportunities with Adani Cement's technical and industry experts.
- Eminence as a leader in integrating classroom learning with real-world impact, helping shape a resilient, future-ready India.

2. Exclusive Partnership Commitment

- The Partner Institution and Adani Cement will jointly celebrate, promote, and advance science, technology, logical thinking, and sustainable innovation through mutual events, programs, and campaigns.
- Adani Cement pledges sustained support, resources, technical inputs, and mentorship, cementing the Partner Institution 's position as a privileged pioneer and thought leader in academia-industry engagement.
- Both parties will maintain transparent records of joint activities and expenditures. Joint working and toll-gate approvals on projects will be implemented to ensure accountability.
- The Partner Institution agrees to provide due credit to Adani Cement in any publications, presentations, or public communications arising from activities conducted under this partnership.
- Adani Cement shall be provided appropriate brand visibility in the events organized by the Partner Institution from time to time including but not limited to branding, logo placement, acknowledgment in event materials, opportunities for representation etc.
- To honor the efforts and financial contribution made by Adani Cement to effectuate this collaboration, the Partner Institution undertakes that for the duration of this Agreement, it will not enter into any similar partnership, collaboration or arrangement for initiatives substantially similar to FutureX. This further strengthens the Parties' mutual dedication and respects the collaborative spirit in which this partnership has been founded.

3. Intellectual Property Rights

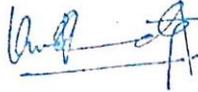

- Adani Cement retains exclusive rights to its brands, trademarks, logos, and intellectual property, including the Adani Cement FutureX logo. The Partner Institution may use these only with prior written approval from Adani Cement and solely for activities under this partnership.
- Any joint promotional activity or use of logos/brands during events must be pre-approved by Adani Cement in writing. Adani Cement reserves the right to approve or deny any proposed use at its sole discretion.
- All materials, content, and know-how shared by Adani Cement remain its exclusive property. The Partner Institution shall not reproduce, distribute, or use such materials for any purpose outside the scope of this partnership without written consent.

4. Confidentiality

- All information including, without limitation, oral and written information, disclosed by Adani Cement and/or its representative (including any experts appointed by the Adani Cement) or Adani Cement's personnel ("Disclosing Party") to the Contractor or any Person acting for and on behalf of the Partner Institution ("Receiving Party") is deemed to be confidential, restricted and proprietary to the Disclosing Party ("Confidential Information").
- The Confidential Information supplied is not to be reproduced in any form except as required to accomplish the intent of, and in accordance with the terms and conditions of this Agreement. The Receiving Party shall provide the same care as it provides to protect its own similar proprietary confidential information to avoid disclosure or unauthorized use of the Confidential Information. All Confidential Information shall be retained by the Receiving Party in a secure place with access limited to only such of the Receiving Party's personnel, employees or agents who need to know such Confidential Information for the purposes of completing the Scope of Work, performance of obligations under
