

THE NEW ROYAL TIMES

QUARTERLY NEWSLETTER-VOLUME 4

MAY, JUNE, JULY 2025

Message from Principal's Desk

It gives me immense pleasure to see that the Newsletter for the period-May, June and July 2025 is ready for circulation. I appreciate the entire team of editorial board for their continuous and sustained efforts, to depict the journey of strivings and accomplishments of Students and Staff members of Royal College of Engineering and Technology (RCET). We are aware that education is not a process of sharing knowledge for a future job but is a lifelong process which enriches the minds, and provides varied experiences that will follow us during our entire lifetime. RCET is a dynamic platform for all to explore and transform themselves to fulfil their dreams. Our Alumni members who are there in different parts of the world can speak about this. This newsletter is a truthful and pleasant record of efforts and achievements by the members of Royal Family. I congratulate the entire editorial team for designing the newsletter in such an excellent way.

Best wishes!!

Principal

Prof. (Dr.) P. Suresh Venugopal
ME, PhD
[FIE(I), MIEEE, LMISTE, LMIETE,
MIAENG, LMQCFI]

International Space Tournament ORBITA-2025

We are happy to inform that Ms. Sneha Ramachandran and Mr. Sooraj Mohan, third year students of ECE department has been selected to be a part of team representing Kerala at the International Space Tournament ORBITA- 2025 to be held at Moscow (Russia) from August 10th to August 16th 2025. This is a high Tech competition with University teams from all over the world and extensive pre training will be provided at Chennai in the month of June 2025.

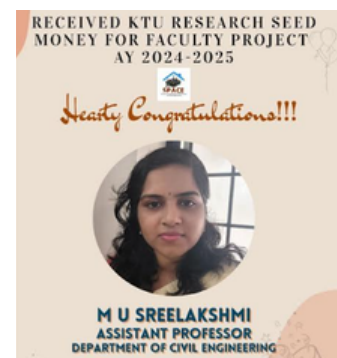

LUMEO – A Marketplace with a Heart

Lumeo-A beautiful initiative by Adithya Thilak, Fathima Shifa V and Malufa Parveen, students of S6 CSE to support the dreams of differently-abled children from Chaithanya Special School, Kunnankulam. Lumeo is a user-friendly, interactive app tailored to support cognitive and motor skill development in children with special needs. With features including visual learning aids, speech-based interaction, and engaging educational games. Lumeo reflects the student commitment to social impact through technology.

Research Seed Fund

RCET congratulate Ms. Sreelakshmi M U, Assistant Professor from Department of Civil Engineering for receiving the Seed Fund for Research from APJ Abdul Kalam Technological University (KTU) for the research topic "Optimization of Green Concrete Mix Design using Artificial Intelligence Techniques". Your dedication to research and innovation continues to inspire us all. Wishing you success in your groundbreaking work!

RUCHI 2025

Staff Recreation Club of RCET organized "Royal's Unforgettable Celebration of Happiness through Interactions - RUCHI 2025" - Get Together and Annual General Body Meeting was conducted on 3rd May, 2025. All staff members wholeheartedly participated in the event. The event was conducted in a grand way, fostering the friendship between the Royal Family members.

READY 2025-A Faculty Development Initiative

A five day FDP (Royal Commitment to academic leadership, Empowerment through continuous learning, Advancement in Pedagogical skills, Development of innovative teaching methods, Yielding transformative educational Outcome) was conducted at RCET, for empowering educators for excellence. The FDP was hosted on 23rd, 24th, 25th, 27th June and 1st July 2025. Experts from different fields came and took valuable sessions. The FDP program was aimed to enhance faculty members' skills and knowledge in innovative teaching methods, research development, and leadership.

IQAC, TLC & ISTE RCET
Jointly Organized

FACULTY DEVELOPMENT PROGRAM

READY 2025 - "EMPOWERING EDUCATORS FOR EXCELLENCE"

(Royal commitment to academic leadership, Empowerment through continuous learning, Advancement in pedagogical skills, Development of innovative teaching methods, Yielding transformative educational outcome)

23rd JUNE - 27th JUNE 2025 (5 DAYS)
9.00 AM TO 4.00 PM

INAUGURAL CEREMONY
23 JUNE 2025, 9.00 AM - 9.30 AM

OUR EDUCATORS

 Dr. M.B.K Menon Founder, Global Aerospace International Trainer	 Dr. Anishin Raj M M Associate Professor & HOD, Muthoot Institute of Technology & Science
 Ms. Asha Sameeha Design Thinking Consultant & Founder, Koderfin	 Dr. Vijay Muralidharan Director IITP (IT Professional Technology Park Foundation)
 Mr. Faahurrahman Moolayil Founder & CEO, Websoft Technologies	 Mr. Amit Raman CEO & Co-founder, Iner Robotics
 Ms. Lemya Sainudeen Assistant Professor, CSE, NCC	 Mr. Anil Thomas K Assistant Professor, AD, NCC

The FDP successfully met its objectives by equipping educators with new teaching methodologies, enhanced leadership skills, and strategies to position institutions for future academic excellence. It also provided a valuable space for collaboration, learning, and motivation. In relation with the FDP, an Industrial Visit was also conducted to Inker Robotics, Thrissur. The faculty members were exposed to cutting-edge technologies like AI, IoT, VR, and Industrial & Hospitality Robotics. The firm demonstrated real-world applications of robotics and automation.

Internship at NIT, Raipur

Students from S4 AD, Basima N B and Adithian Menon have been selected for the prestigious one month internship at NIT, Raipur. This is a remarkable achievement and a testament to your dedication, hard work, and academic excellence. An opportunity to intern at such a prestigious institution will not only enhance your skills but also open doors to valuable learning experiences and future prospects. Make the most of it and continue striving for excellence!!

BASIMA N B & ADITHIAN MENON
(B.TECH S4/AD)

HAVE BEEN SELECTED FOR THE PRESTIGIOUS 1 MONTH
NIT Raipur
Summer Internship Program 2025

Guide: Dr Toshani Lal Meenpal, Associate Professor, Electronics & Telecom. Dept, NIT Raipur.

Internship Domain: Computer vision and Image processing.
Venue: NIT Raipur, Chhattisgarh

Congratulations

Inspiring Education Hero Award

We are delighted to share that Dr. P. Suresh Venugopal, Principal of RCET, was honored with the "Inspiring Education Hero Award" at the prestigious EGN Higher Education Southern India Conclave!

This award is a testament to his exceptional contributions to the field of education and unwavering commitment to academic excellence.

Proud Moment

A proud alumnus of Royal College of Engineering & Technology (2013-2017, Mechanical Department) and NSS volunteer, Vineeth has recently taken charge as the Station Inspector of Police (S.I) at Kannur Town.

SKN 40

Happy to announce that the renowned media person Sri. Sreekandan Nair (SKN) of 24 News Channel interacted with our Students at our Campus as a part of SKN40 on a mission of "No Drugs, No Violence", on April 6th, 2025.

Merit Day-RACE 2025

Royal College of Engineering and Technology (RCET) conducted its annual academic excellence celebration, Merit Day 2025, under the theme "RACE 2025 – Royal Ascent: Celebration of Excellence." The event honored the outstanding academic achievements of students from the B.Tech (2021–25 Batch) and M.Tech (2023–25 Batch).

The event was graced by Dr. Ramesh Unnikrishnan, Director & Advisor (FRMR), AICTE, Ministry of Education, Government of India. In the event, Dr. P. Suresh Venugopal, Principal, delivered the Presidential Address, highlighting the institution's vision and applauding the students' accomplishments. Following this members of the management and other dignitaries addressed the gathering, sharing insights on the growth and future goals of the college. Chief guest, Dr. Unnikrishnan delivered an inspiring address, motivating students to pursue excellence in both academics and innovation.

Merit Day 2025 was a memorable celebration that reflected RCET's commitment to academic distinction and student growth. The presence of distinguished guests, coupled with the enthusiastic participation of faculty and students, made the event truly inspiring. RCET celebrated the hard work and dedication of its students. The event not only recognized academic excellence but also encouraged the entire student community to aim higher and contribute meaningfully to society and the engineering profession.

International Yoga Day

The 11th International Yoga Day was celebrated on the college campus with great enthusiasm. The Yoga Day celebration, was inaugurated by the Principal Dr. P. Suresh Venugopal. The College CEO, Mr. V.P. Salim, delivered the Yoga Day message, and Administrative Officer Mrs. K.P. Sharmila conveyed her greetings. The chief guest of the event was Mr. Jayesh, the representative of Art of Living, Kunnamkulam, who led the yoga practice session. Under the theme "Yoga for One Earth, One Health", the campus echoed with positive energy as our RCET family embraced the spirit of a healthy and balanced lifestyle. Students and faculty members actively participated in this program, which served as an inspiration to adopt a healthy lifestyle. The session was highly effective, providing practical training on basic yoga principles, asanas (postures), and pranayama (breathing techniques).

The event was jointly organized by the College NSS Unit, Yoga Club, SSSDF, and the Department of Physical Education, in collaboration with the Art of Living Kunnamkulam Chapter, who led the International Yoga Day activities.

Doctoral Degree Awarded

Mrs. Vidya P, Assistant Professor - CSE department was awarded PhD in Instrumentation and Control Systems Engineering in the month of June 2025.

College Topper

We are proud to announce that Farhana A A from S8 AD emerged as the College Topper of the 2021-2025 B.Tech batch! As you move forward, may this success be just the beginning of even greater accomplishments in your journey ahead. Heartiest congratulations on your outstanding academic achievement!

Alumni Achievement

We extend our hearty congratulations to Mr. Rajeev Srinivas, a distinguished alumnus from our 2007-2011 Electronics and Communication Engineering batch, on his appointment as the Academic Alliance Group Regional Head for TCS Kerala

RAMP 2025

The Bridge Course for the B.Tech 2025-2029 batch was officially inaugurated on 14th July 2025 at RCET, under the Royal Academic Mentoring Programme (RAMP). From warm welcomes to visionary addresses, the event was filled with motivation, inspiration, and energy. This initiative is designed for the incoming B.Tech 2025-2029 batch, aiming to facilitate a smooth transition from school to college-level engineering education.

The key attraction of the day was the special guest, Anandhu, a renowned mentalist, who delivered an engaging and interactive session. His performance captivated the audience, making the event highly entertaining. His presence added a motivational and energetic tone to the inauguration, leaving a lasting impression on the freshers.

Meeting on Anti Ragging

An Anti-Ragging Meeting was convened on 10th July 2025 at RCET presided by the Principal, in the esteemed presence of CEO, Police Officer Mr. Joju Tharayil from Erumapetty Police station, press club members, faculty members and students from various departments. The meeting aimed to reinforce the institution's unwavering commitment in maintaining a ragging-free environment. Principal delivered the opening remarks, emphasizing the importance of fostering a safe and respectful atmosphere for all students, especially the newcomers. The CEO underscored the importance of regular monitoring to promote a healthy and positive atmosphere within the institution.

Police Officer Mr. Joju Tharayil addressed the gathering and briefed attendees on the legal consequences of ragging. He cautioned that any involvement in ragging, whether direct or indirect, would result in strict legal action. He further stressed the necessity of forming both an Anti-Ragging Committee and an Anti-Ragging Squad to ensure effective implementation of anti-ragging measures. Suggestions from student representatives were actively invited and appreciated. The students assured their full cooperation in maintaining a ragging-free campus.

Regional Meet

The Regional Meet of Rudhira Sena, the prestigious blood donation and humanitarian outreach initiative of APJ Abdul Kalam Technological University, was successfully held on June 3, 2025, at Royal College of Engineering & Technology, Akkikavu. This vibrant gathering brought together student leaders, volunteers, and faculty coordinators from engineering colleges across the Thrissur and Palakkad districts.

World Environment Day celebration

The World Environment Day celebration was held on 5th June 2025 at our institutional Medicinal Fruits Garden with great enthusiasm and participation. The event was organized jointly by the Environmental Forum Club and the NSS Unit to promote awareness about environmental protection and sustainable living.

The program was inaugurated by Principal, Dr. P Suresh Venugopal by planting a sapling. And our principal emphasized the importance of nurturing nature and encouraged students to take responsibility in protecting the environment. The event was graced by the presence of CEO Mr. V. P. Salim also.

DEPARTMENT ACTIVITIES

AI, ML and Data Science – Essential for educators

The Department of Artificial Intelligence and Data Science organized a knowledge dissemination session on "AI, ML and Data Science – Essential for educators" on 11/7/25. The session was conducted by Shanija P S, AP/ AD Department, who recently attended a Faculty Development Program on the same. She shared key insights, trends, and practical perspectives, enriching fellow educators with valuable knowledge on integrating AI, Machine Learning, and Data Science into modern teaching methodologies.

Workshop on Introduction to Data Science, Python and Supervised Machine learning

Department of Artificial Intelligence and Data Science had conducted a hands on 4 days workshop on "Introduction to Data Science, Python and Supervised Machine learning" for S3 AD students. It introduced the students the fundamentals of Data Science, Artificial Intelligence, Python and Machine Learning concepts.

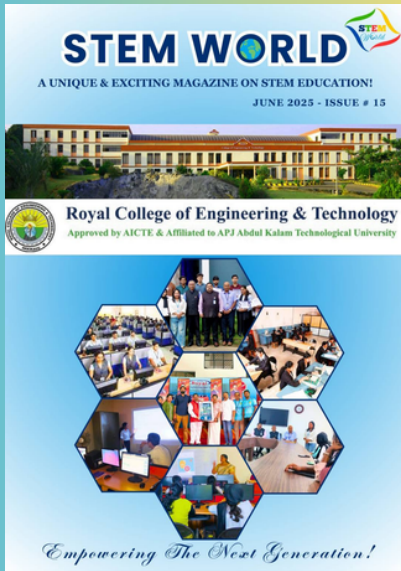

FACULTY ACHIEVEMENTS

- Ms. Shilpa Varghese, AP/ASH along with our college team attended a seminar at Thekkinkadu ground, Thrissur as part of a week-long 'Ente Keralam Program' organized by Govt. of Kerala.
- Dr. Vineetha Venugopal, Associate Professor and Ms. Roshmin Rizuvan, Assistant Professor, CSE department attended a one day Workshop on "The Use of AI in Research Works" on 20th June, 2025.
- Dr. Vineetha Venugopal, Associate Professor CSE department attended online FDP on GenAI: Unleashing the Power of Language and Vision Models from 16th June 2025 to 20th June 2025.
- Dr. D Zealakshmi, HoD/CE completed the short-term training programme on "Smart Infrastructure & IoT: A Next Gen Approach in Civil Engineering" organized by Coimbatore Institute of Engineering and Technology from 26.05.2025 to 31.05.2025
- A workshop on "The use of AI in Research works" was conducted on June 20 by Research, Development and Extension (RDE) cell, RCET by Ms. Nasla Kamaru (AP-ASH) as the resource person.
- Dr. M R K Menon and Mr. Karthik P G (Placement Officers) represented RCET at a session organized by the IIT Madras Alumni Association – Kerala Chapter and PALS, held on 12th July 2025 at DASS Continental, Thrissur.
- Ms. Lidhi, AP-CSE department successfully qualified UGC-NET exam in June 2025.
- Ms. Greeshma C, AP/CE completed the NPTEL 12 week Faculty Development Programme in the Course "Concrete Technology".
- Ms. Swathy S G Nathan, Ms. Farah V M and Ms. Greeshma C, APs/CE, completed FDP on "Applications of Remote Sensing & GIS in Civil Engineering" in online mode organized by Adi Sankara Institute of Engineering and Technology 26.05.2025 to 28.05.2025.
- Dr. D Zealakshmi, HoD/CE completed the short-term training programme on "Smart Infrastructure & IoT: A Next Gen Approach in Civil Engineering" organized by Coimbatore Institute of Engineering and Technology from 26.05.2025 to 31.05.2025.
- Ms. Nasla Kamaru, AP-ASH attended a workshop on the topic "Transforming research with AI: Tools, Trends, Techniques" from June 11-13, 2025 at MES college of Engineering and Technology, Ernakulam.

Stem Magazine's Global Edition

We are proud to announce that Royal College of Engineering and Technology (RCET) has been recognized as the "STEM College of the Month" in the prestigious STEM Magazine – June 2025 Edition, which reaches over 10,000+ international schools across 13 countries!

MoU Signed with Garuda Aerospace

Royal College of Engineering and Technology signed an MoU with Garuda Aerospace, India's leading drone manufacturers and a pioneer in Unmanned Aerial Vehicle technology. This collaboration aims to bridge the gap between academic learning and industry innovations by providing students and faculty with access to cutting-edge drone technologies, hands-on training, research opportunities, and industry exposure in the rapidly growing field of UAVs.

Ms. Elsa P J, AP/ASH completed the NPTEL online certification course on the topic Environmental Chemistry and Microbiology (Jan-Apr 2025).

- Dr. D Zealakshmi, HoD/CE participated in the webinar on "Plastic and the Planet: A Climate Perspective" organized by Coimbatore Institute of Engineering and Technology on 05.06.2025.
- Ms. Swathy S G Nathan, Ms Farah V M and Ms. Greeshma C, APs/CE, participated in a one day Workshop on "The Use of AI in Research Works" organized by Research, Development and Extension [RDE] Cell of Royal College of Engineering and Technology on 20.06.2025.
- Ms. Radhika E R, Ms. Savitha V, and Ms. Sreedevi K participated in Five Day Faculty Development Program READY 2025 – Empowering Educators for Excellence conducted by TLC, RCET.
- Dr. Zealakshmi, HoD/CE completed the 5-day FDP on "Innovations in Resilient Infrastructure: Analysis, Design & Adaptation" organized by St. Thomas College of Engineering and Technology from 16.06.2025 to 20.06.2025.
- Ms. M U Sreelakshmi, AP/CE performed her role as an Observer for AICTE FDP on Universal Human Values organized at IES College of Engineering from 20.06.2025 to 22.06.2025

- Ms. Swathy S G Nathan, AP/CE, completed FDP on "Effective Research Proposal Writing: Turning Research Ideas into Funded Projects" in online mode organized by Promind Research Academy from 30.06.2025 to 04.07.2025
- The Department of ME is proud to announce that Dr. Anfas Mukram T, Associate Professor, has achieved a significant academic milestone with the publication of his research article in the Journal of Building Engineering, a prestigious Elsevier journal. The journal is ranked Q1 under SCIE, with an impressive Impact Factor of 7.4 and an H-Index of 114, making it one of the leading publications in its domain and indexed in Scopus.
- Ms. Aishwarya Premdilip, Ms. Rose Ann Thomas, Ms. Swathy S G Nathan, Ms Princy P P, Ms. Farah V M and Ms. Greeshma C, APs/CE, completed FDP on "Additive Manufacturing Frontier: Civil & Mechanical Perspective" in online mode organized by Al-Ameen Engineering College from 24.06.2025 to 28.06.2025.
- Dr. D Zealakshmi, HoD/ CE, Ms. Swathy S G Nathan, Ms. M U Sreelakshmi, Ms. Farah V M and Ms. Greeshma C, APs/CE, participated in a Two-days Workshop on "AI-Enabled and Physics-Driven Advancements in Structural Health Monitoring" in online mode organized by NIT, Silchar from 23.06.2025 to 24.06.2025.
- Ms. Greeshma C and Ms. Farah V M, AP/CE completed 5 day Online FDP on "Innovations in Civil Engineering: Integrating Geospatial Technologies, Structural Monitoring, AI and Sustainability" organized by Jyothi Engineering College from 16.06.2025 to 20.06.2025.

STUDENT ACHIEVEMENTS

NPTEL Course Completion

We extend our heartfelt appreciations to five students from the AD department for successfully completing NPTEL courses across diverse domains.

Your initiative to pursue knowledge beyond the classroom, and your commitment to continuous learning, is truly commendable. These accomplishments reflect not only your academic curiosity but also your dedication to personal and professional growth.

NPTEL Certified

Five faculty members from AD department completed NPTEL Courses on different domains. Your commitment to continuous learning and professional development sets a remarkable example for both students and peers. By actively engaging in upskilling and expanding your knowledge, you embody the spirit of academic excellence and lifelong learning.

Innovation Begins Early – DEEPHUBAI by First-Year Student!

Kudos to Mr. Nihal, a first-year student from the AD Department, for presenting his startup idea – DEEPHUBAI!

Taking the initiative to conceptualize and present a startup at such an early stage in your academic journey is truly commendable. DEEPHUBAI reflects Nihal’s innovative mindset, entrepreneurial spirit, and passion for technology. We are proud to see such creativity and ambition from our budding engineers. May this be the first step toward a successful and impactful venture!

- Fiza Rahmathulla (S8/AD) secured Gen AI Intern at SpectoV with Stipend
- Mr. Mohammed Jasim, Mr. Muhammed Afsal, and Mr. Afsal S. Sanoop, students of ME department attended a 7-day internship program with the Kerala State Road Transport Corporation (KSRTC), Guruvayur. The Internship was conducted between 24th June 2025 and 1st July 2025.
- Hrishikesh A, a student of the 2021–2025 ME batch was selected the department topper for his outstanding academic performance.
- Basima and Chandana from S5 AD officially selected as a student volunteer for the Kerala Innovation Festival (KIF) 2025, hosted by Kerala Startup Mission (KSUM).
- Ms. Angel Davis, Ms. Hiba Fukkar, Ms. Sreya P S, Ms. Sneha Ramachandran, Mr. Athul Prem and Mr. Sooraj Mohan successfully Completed 4 week Internship at BSNL, Thrissur from 2/6/25 to 30/6/25.
- RCET secured Second Prize in the State Level Ideathon Competition organized by IES Engineering College-Chittilappilly. Krishnaprasad and Muhammed Siyad of S7 AD were part of the competition.
- Ms. Aysha Sherina, a student of the ME department, completed a specialized CNC training program at the Kerala SIDCO Tool Room - CAD/CAM Training Centre, Calicut, held from 12th June 2025 to 26th June 2025.
- Ms Nandana P P of 2021-25 Batch received the K Ramanathan Endowment Award for best Civil Engineering student. This prestigious award honors the legacy of K. Ramanathan and celebrates the pursuit of knowledge, professionalism, and commitment to engineering excellence.
- 5 Students from the department of AD(S8/AD) got minor degree.

- Mr. Adith of S₅ CSE successfully completed Two-Day Energy Cell Unit Coordinator’s Training and Workshop held at College of Engineering, Thrikarippur on 12-13 July 2025.
- Arshia K.P, Anjana P.R, and Aswin A.S. of S6 CSE launched a web application called "All In One Maintenance"-A Smart Solution for Home Services!" in June 2025.
- Ms. Fathima Rahna N H, Ms Lubna Rahman N A and Ms Risana V S of S3 CE completed their internship at Kairali builders from 11.06.2025 to 26.06.2025.
- Mr. Arshakh Afham, Mr. Harinanda C N, Mr. Joel M Jolly, Mr. Aswin Krishna, Mr. Sayyid Ahmed Shahada, Mr. Prithviraj, Mr. Mohammed Yasim C M and Mr. Amal Krishna of S7 CE completed their internship at Dalia Builders and Developer (P) Ltd. from 23.06.2025 to 30.06.2025.
- Ms. Nasiha K H of S7 CE completed her 5-day summer internship at LSGD LID, EW Division of Punnayur Grama Panchayat from 02.06.2025 to 06.06.2025.
- Ms. Afeefa Sherin of S7 CE participated in a Social work programme at Thirumittakod Grama Panchayat from 13.06.2025 to 19.06.2025 .
- Ms. Thasleema Nasrin was awarded the title of Department Topper for graduating by showcasing best academic performance.
- Mr. Mohammed Shanij V C, Mr. Muhammed Saleekh Latheef, Mr. T A Muhammad Hisham, Mr. V P Mohammed Shameem and Mr. Muhammed Ansif C A Successfully completed 7 days (5 days online , 2 days offline) internship Program at Tech maghi, at kerala startup mission , Kochi from the Topic Wireless Robotic car with Arduino Embedded system.
- Mr. Enoch Dass V Y, Mr. Anandkrishnan K J, Mr. Agil P Yeldo, Mr.Thejus Sidhu, Mr. Ahmed Shihhas , Mr. Adhithyan P P and Mr. Abhijith successfully Completed 7 days internship on the Topic IOT & Embedded Systems Training(based on Raspberry Pi Pico, Motor Drivers, and Micro Python) from 23/6/25–30/6/25. This hands-on experience marks a valuable step in their technical journey and future endeavours in the field of IoT and embedded systems.
